KEYWORDS

Authors should provide appropriate and short keywords. The maximum number of keywords is 10. (Cambria, Font Size 10)

ABSTRACT

Abstract should state briefly the purpose of the research, design/methodology/approach, the main results and major conclusions. It should not exceed 350 words. No citations should be included in the abstract. (Cambria Font Size 10)

1.INTRODUCTION

This section should be concise and define the background and significance of the research by considering the relevant literature, particularly the most recent publications. When preparing the introduction, please bear in mind that some readers will not be experts in your field of research. (Cambria, Font Size 12)

2. LITERATURE REVIEW

This section is dedicated to the significant literature resources that contributed to the research. The author should survey scholarly articles, books and other sources relevant to the area of research, providing a description, summary, and critical evaluation of each work. (Cambria, Font Size 12)

2.1 Subheading (if any)

Type the text here. (Cambria, Font Size 12)

2.2 Subheading (if any)

Type the text here. (Cambria, Font Size 12)

2.3 Table (if any) (Cambria, Font Size 10)

No	Structuralism	Post-Structuralism
1.	Parallels	Contradiction
2.	Person	Tense
3.	Reflection	Repetition Conflicts

3. METHODOLOGY

This section should contain detailed information about the procedures and steps followed. It can be divided into subsections if several methods are described. (Cambria, Font Size 12)

3.1 Subheading (if any)

Type the text here. (Cambria, Font Size 12)

3.2 Subheading (if any)

Type the text here. (Cambria, Font Size 12)

4. RESULTS AND DISCUSSION

This section is a comparative or descriptive analysis of the study based on the study results, previously literature, etc. The results should be offered in a logical sequence, given the most important findings first and addressing the stated objectives. The author should deal only with new or important aspects of the results obtained. The relevance of the findings in the context of existing literature or contemporary practice should be addressed. (Cambria, Font Size 12)

5. CONCLUSION

The author should clearly explain the important conclusions of the research highlighting its significance and relevance. (Cambria, Font Size 12)

ACKNOWLEDGEMENT

The author is free to include acknowledgments or not. This section may include the names of people who in some way contributed to the work. It can also include information about supporting grants, funding sources, and so forth. (Cambria, Font Size 12)

ABOUT THE AUTHOR(S)

The author can present his activities, research interests, memberships and affiliations, published research, etc. (Cambria, Font Size 12)

REFERENCES

References to the work should follow the APA style and carefully checked for accuracy and consistency. Please ensure that every reference cited in the text is also present in the reference list and vice versa. (Cambria, Font Size 12)
