

Privacy Policy for ColdfireHT

Last updated: December 4, 2025

This privacy policy governs your use of the software application **Hamburger Tower (ColdfireHT)** ("Application") for mobile devices that was created by **Coldfire Studio**.

What information does the Application obtain and how is it used?

The Application does not require you to create an account or provide any personal information (like your name, email address, or phone number) to use it.

Automatically Collected Information

However, the Application may collect certain information automatically, including, but not limited to, the type of mobile device you use, your mobile devices unique device ID, the IP address of your mobile device, your mobile operating system, and information about the way you use the Application.

Third-Party Access to Information

We transmit data to external services for advertising purposes. The Application uses **Google AdMob** to display ads. Google AdMob may collect and use your device's advertising ID (AAID) to serve personalized ads.

You can view Google's Privacy Policy here: <https://policies.google.com/privacy>

Does the Application collect precise real-time location information of the device?

This Application does not collect precise information about the location of your mobile device.

Children

We do not knowingly solicit data from or market to children under the age of 13. If a parent or guardian becomes aware that his or her child has provided us with information without their consent, he or she should contact us at coldfire0studio@gmail.com. We will delete such information from our files within a reasonable time.

Contact us

If you have any questions regarding privacy while using the Application, or have questions about our practices, please contact us via email at coldfire0studio@gmail.com.
