

Trigger warnings/content warnings: This document will have discussions of self-harm, suicidal ideations, sexual assault, abuse, binge eating, body image issues, and body dysmorphia. There will be screenshots of active gaslighting and manipulative tactics. There will also be times when I actively talk about having psychotic episodes, derealization, memory loss due to trauma, and other such issues relating to my mental health. I may also refer to myself as the r-slur at points. I do not call other people this, this is a way of demeaning myself during mental breakdowns. There's also blatant anti-polyamorous rhetoric/shaming in this from Konnie.

Notes on me/I guess context:

My name is Wulf/Coyote (tho you may see me be called Eros or Casimir in this), I use they/them pronouns. People close to me may use any, however, this initially started because I gave up on my ex-gf using my proper pronouns. Lmao. The other users you will see most prominently in this are Konnie (she/they/bun), Sig (they/any as far as I am aware rn), and my other ex.

Konnie and I started dating in November 2020. The relationship ended as of December 2023. I am a polyamorous person. I went into this relationship with Konnie aware I was. Konnie, for a period of time, was dating three people while dating me. So stuff may seem confusing. I'll try to give a brief timeline and overview as we continue. I want to note that **I am fully aware I am not a perfect person**. I am also aware mental health/disabilities are not an excuse to be an asshole. I want you to note that at any point when I have lashed out while psychotic, I have apologized after. I will not, however, let you people continue to demonize me and my actions during those times. The entire thing about being psychotic is that **I am not myself**. The difference between that and using your mental health as an excuse is that you don't feel guilt for whatever effect it has on other people, which you will see Konnie actively use her learning disabilities as an excuse.

I want to note that I was diagnosed with severe depression with psychotic features, severe generalized anxiety disorder, and suspected BPD, and have been told multiple times to get tested for autism. I also have what is believed to be OSSD-1b. I have alters who very rarely show up because they do not need to unless they are worried that I may kill myself or they take over to help me do basic tasks like eating. However, this is hard during psychotic episodes as that is the entire brain working against all of us. For autism: I cannot get a "professional" diagnosis due to the current climate surrounding diagnosed autistics in America. However, my psychologist and the tests they give you for autism testing (which I will happily link for anyone who asks) say I am autistic. So. Overall, I am a mentally ill autistic person who has psychotic episodes. I also have physical disabilities that have affected me since middle school, which are hip dysplasia and hypermobility in my legs. I have only been diagnosed with these as of this year 2023, but again this has been an issue since middle school. I am currently **19**, almost 20.

That is about 6+ years of feeling not only immense pain but also my hip joint slipping out of place.

Note on the abuse:

The type of abuse I faced from Konnie is known as narcissistic abuse. **This does not mean that Konnie has NPD, or that people with NPD are abusive.** It is called this because the tactics used by the abuser are similar to how a narcissistic personality disorder affects someone. Someone can also have narcissistic tendencies without it even relating to a disorder. Even then, I do not like the use of the term as many people with NPD have spoken out about how it demonizes them. Sadly, I don't have another name for it. It's a very specific style of abuse based on control, manipulation, guilt-tripping, and gaslighting, as well as relying on reactive abuse. If you have another name I can call this please let me know! Just abuse doesn't quite work simply due to the specifics, but I would like another name if possible. I'm simply mentioning this since that is how I will be referring to the abuse in this document. I also have already been in another narcissistic abusive relationship before this (my first real relationship was this).

Why this document exists:

Initially, I was going to make this because I was vengeful. I was angry. And then I talked to my mom, who told me I needed to sit down with my therapist and think about it. So I did. And, for a while, I wasn't going to make it. However, after discussing with my therapist, this document is not being made for you. This isn't to make a call out or do a quick gotcha. I don't want forgiveness or reconciliation from her friends or her group. This is for me. This is so I can look back and tell myself that it wasn't my fault for how she acted. So I can look back and see the warning signs in any future relationships. And so I can look back and tell myself that these people aren't worth the hurt and tears I know they'll bring me. This is also to help me process. It took me about a year to realize my last abusive relationship was abusive, so we'll see how this goes. In other words: let's get started.

The announcement in Konnie's server:

In Konnie's private server, she made an announcement. I've marked on this already as I tried scribbling on important things of note. In this doc, I will not only be disproving the shit they said but also showing the many times Konnie did these to **me**. I want to note the evidence she's shown people have been one screenshot convo they don't have the fucking **context for**.

Thank you for reading, I can answer a few questions if needed, whether it be me or Sigil, but Konnie is taking off for the night to rest and mentally heal.

@everyone

Hello, the things he did include

Verbally, mentally, and emotionally abusing me.

Threatening to cheat on me when he didn't get his way. When I didn't want him bringing someone else in the relationship.

Kissing two people and never telling me about it. Telling Dae and Sig never to tell me.

Favoring Dae over me in arguments despite me and Dae saying the same thing.

Lashing out at me and Dae during his anger fits.

Deadnaming me on purpose to try and get me to stop arguing.

Contacting my friends and making them believe they had to give me things and give me expensive ocs for me to talk to them.

Telling multiple people things I never said to try and make them closer to him and not me.

Lying directly to friends and even Dae's face about information to encourage Dae to be upset with me.

He'd ignore me whenever I did anything he deemed as wrong or when we didn't agree.

He'd force me to apologize for issues he caused and apologize for him being mad at me, otherwise he wouldn't talk to me.

He'd shit talk me to our friends and lie about my behavior to try and make himself seem like a victim.

He'd pressure me by constantly say he was gonna relapse whenever I was away for a while.

He'd gaslight me about how I was gone despite knowing I was busy with work and that I was exhausted.

He took designs I paid for, the we co owned and stole full ownership and expected me to pay to get them. Despite him not paying.

He knew I wouldn't speak up because he'd constantly gaslight me and manipulate me into apologizing for the abuse he gave me. Trying to force me to believe it was my fault.

didn't threaten to cheat

&

psychotic episode

I said give gifts to make friends

I'm sorry you had to apologize

Pressured what? re nothing comfort!

One kiss SA

Not a dead name

When I told people to draw her stuff, its the art community ??

Asriel for com

For those who cannot read my hand writing

- I didn't threaten to cheat.
- One of those "kisses" was me being SA'd. I never told Dae or Sig not to tell Konnie.
- Called my psychotic episodes "anger fits"
- It was not a dead name, and I also admitted to it being shitty and changed (this will come up later but its this funny thing called reactive abuse.)
- I told people to draw her stuff, its the art community ??
- "Lying" I quite literally just talked about how Konnie did nothing to change. I also never discussed shit with anyone outside of Dae and Sig, say for the time when you isolated me from my entire friend group after telling them all I was abusive and dumping me the FIRST time. Cause now is the SECOND time. Surprisingly, unlike some people, I don't fuckin gossip about my relationship.
- The relapsing thing, don't even get me started. I even asked how she felt about it and said I didn't care if she didn't reply. She is one of the few people I felt comfortable sharing when I did relapse.
- I did not gaslight her for leaving. I asked her to communicate with me what was happening because I worried about her. I was begging for communication. I. Was. Begging.
- She actually took multiple characters from me that we co-owned and sold. Wow omg it's almost like she did this recently as well that I have proof of.
- I constantly comforted and told Konnie nothing was ever her fault. Even when it was.

The beginning parts I mostly remember:

Around November 2021, I started taking a mood-stabilizing medication that falls under anti-psychotics. This ended up worsening my depression and made it hard for me to discern my feelings because I felt very numb. I genuinely don't remember most of this time. At some point in 2021, two things happened that Konnie will mention repeatedly:

- Her ex-partner, Canary, found out she was aromantic. She broke it off with Konnie after a while once she fully discovered that.
- At some point, I called Konnie her name in arguments. She says I admitted to doing this to get her to shut up. For years I just thought that's what happened. **It's not**. It was not a dead name, it was just the name she went by. She preferred I called her Kit. Konnie used this dead name until 2022. Not the point, but calling it a dead name and treating it the same as being dead named is ... mm.

Things that also happened:

- She and sig broke up at some point. I was still dating sig at the time. Later on, you will see Sig shared screenshots of my vents to them to Konnie. Mind you: I never did this. But here's how Konnie reacted to Sig taking space from her !! Also, note that she didn't tell me she was having a breakdown. It was most likely in her status.

so i know Sig is leaving servers because of me, it's uncomfortably obvious. Considering they leave, come back, and then as soon as I begin talking, he leaves. I mean like last night, he came back at 8 my time, and you didn't go offline until like 10 or 11 my time. I will tend to talk about my plans for you when you're offline so you're not nosy. I'll also just gush about you at random times when i'm in a good mood. Too bad any time I fucking do this, he leaves a server. Pretty noticeable when it's only servers where you're not the owner. Or considering he's trying to drop the Shuppy payment literally only because he doesn't want to do it since it's me who's getting those payments. Since saying, "I can finish them, i just don't want to own it anymore" is pretty telling considering he sent me one of the character's we co-owned yesterday so i completely own it.

It's quite a fucking headache to have to sit there and feel like shit because I can't talk about my boyfriend or else it makes someone leave somewhere. It's happened 3 times in cotac and makes me feel like fucking garbage because even talking about him makes me feel sick and uncomfortable. I feel like shit constantly now because of it and I can't sit and just shut the fuck up and ignore it because I feel like throwing up constantly when I talk about it at all. I had a full blown breakdown last night because of it because I knew it immediately. Fucking hell I'm literally streaming as my breakdown gets worse, i'm fucking shaking and feel like my stomach is in knots.

Moving !!! 07/07/2021 8:31 PM

Summary

This is a document to discuss and show proof of the abuse that I have endured over the past 3 years by my ex-partner, Konnie.

Outline

Trigger warnings/content warnings: This document will have discussions of self-harm, suicidal ideations, sexual assault, abuse, childhood sexual assault/abuse, binge eating, body image issues, and body dysmorphia. There will be screenshots of active gaslighting and manipulative tactics.

There will also be times when I actively talk about having psychotic episodes, derealization, memory loss due to trauma, and other such issues relating to my mental health. I may also refer to myself as the r-slur at points. I do not call other people this, this is a way of demeaning myself during mental breakdowns. There's also blatant anti-polyamorous rethoric/shaming in this from Konnie.

Mako, he left last time as soon as i started gushing about you
last night he left again after I started gushing about you.
And now he's not coming back.

Moving !!! 07/07/2021 8:32 PM

He's leaving cause he thinks you're pissed at him and he feels like being in the
same server is making things worse

🌸❖**BUNNY**❖🌸 07/07/2021 8:32 PM

He doesn't fucking talk to me about it though so it makes me feel like shit
every time, i've done nothing to show im mad at him
if i was then i would of fucking kept the money from the adopt thing and
would of just done whatever

Moving !!! 07/07/2021 8:33 PM

Hun he thinks you're still pissed
Keeping the money is bad even if you were pissed, you know that
He doesn't talk to you because the last time he did he's aware you got upset
about it cause you did

🌸❖**BUNNY**❖🌸 07/07/2021 8:34 PM

if he thought that then he'd leave any servers we shared

Moving !!! 07/07/2021 8:34 PM

He's left any you're both active in except mine

🌸❖**BUNNY**❖🌸 07/07/2021 8:35 PM

And as soon as i'm more active in yours like yesterday, he'll leave there too
then

🌸❖**BUNNY**❖🌸

if he thought that then he'd leave any servers we shared

Moving !!! 07/07/2021 8:34 PM

He's left any you're both active in except mine

🌸❖**BUNNY**❖🌸 07/07/2021 8:35 PM

And as soon as i'm more active in yours like yesterday, he'll leave there too then

Moving !!! 07/07/2021 8:35 PM

I'm aware that's what he thinks because he came and talk to me about it
He probably won't

🌸❖**BUNNY**❖🌸 07/07/2021 8:35 PM

i've also been highly inactive in cotac

Moving !!! 07/07/2021 8:35 PM

But it's still a server you're active in

🌸❖**BUNNY**❖🌸 07/07/2021 8:35 PM

barely

Moving !!! 07/07/2021 8:35 PM

You've been more active there recently so he's leaving
Baby he's not

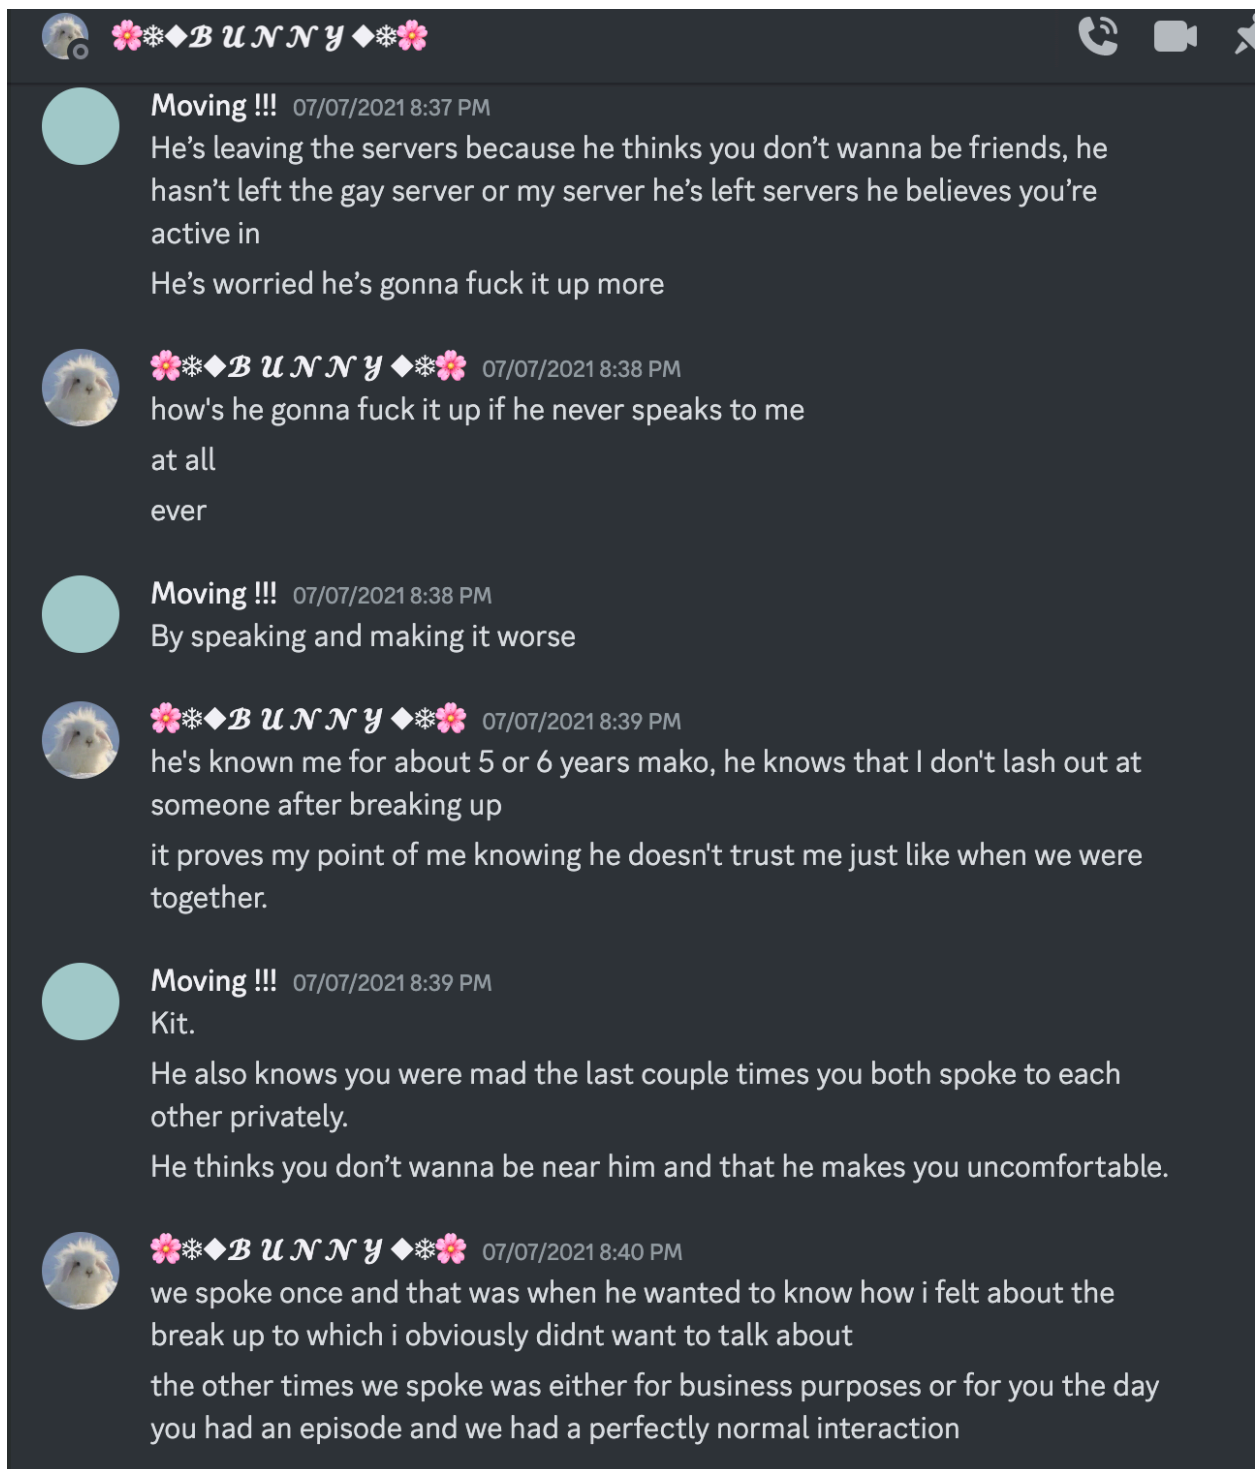

🌸❖**BUNNY**❖🌸 07/07/2021 8:36 PM

i was active for **twenty minutes** last night and that was enough for him

Moving !!! 07/07/2021 8:36 PM

Doin it to make you uncomfortable, he's doing it cause he thinks you don't
even wanna be friends with him anymore cause of how the break up went

So i sent her what Sig had told me about why they'd left !! Legit sig just said they were taking a mental health break and felt konnie was mad at them. But ooooooh man.

🌸❖**BUNNY**❖🌸 07/07/2021 8:54 PM

I haven't shown any signs of aggression or anger towards them since the break up and have messaged them **myself** on more than one occasion. Literally all i fucking did yesterday was talk about you in a gushing way to the two yesterday and he left. It was completely tame and calm. I've stated before that something I very much dislike is "space" because it makes me anxious and sick. I've shown no signs of being "mad" infact I wouldn't care if they messaged me because I like talking to people.

Moving !!! 07/07/2021 8:56 PM

Honey I

Mm

Both Milo and I told him to give you space because you seem mad. You specially told me not to talk about him because it makes you uncomfortable

It was like two days before he asked about how you felt

🌸❖**BUNNY**❖🌸 07/07/2021 9:00 PM

i asked you not to bring him up after he specifically didn't acknowledge me as his first relationship

Moving !!! 07/07/2021 9:01 PM

And you still were upset by the break up when he asked the question

Baby ily but I can see why he would think you're upset?? You don't have to be aggressive or angry but it's still a break up

And you showed you were upset how the break up went

He literally said it was a bad call to even ask, so he's leaving you alone because even if it's like

Two convos??? How badly does shit like that grow

I can't exactly explain it or just have a good accurate but he's left the servers

Btw the "he didn't acknowledge me as his first relationship", y'all sig asked Konnie and I out on the same day.

“Oh but when they got back together she stopped-” haha no.

🌸❖*BUNNY*❖🌸

11/22/2021 10:57 PM

something i keep thinking about

that bothers me

So I was setting up a thing for our 1 year, thats why i kicked you from the server,

Like I was setting a thing up

you wont fidn the comments so dont try i deleted them >:)

but

Sig got legitimately upset over it

and the more im thinking about it the more it rubs me the wrong way

because like

he asked me if he could vent

and i said yeah

and i immediately knew what it'd be about but i thought it'd mention our 1 year in a few months to see what'd he'd react with

and when i mentioned it

he tried to end the convo

like

that just rubs me the wrong way

dunno it bothers me

could be over thinkin it

🌸❖**BUNNY**❖🌸 11/22/2021 11:01 PM

but th behavior of just wanting shit
like

but also acted like it was unfair that im spoliling you for 1 year

like

fuck man i can't even do what i want because **the shit i had planned i cant do
due to the ban**

Demonizing Canary after they broke up:

I'll put the things she said here but also note in many screenshots after she brings up Canary repeatedly as someone who is negative. Who is bad to be compared to. You'll see this in screenshots down the line but heres the initial break up stuff.

🌸❖**B u N N y**❖🌸 07/17/2021 10:47 PM

i know she wouldn't try to do that

Moving !!! 07/17/2021 10:50 PM

So breath honey

She still cares about you

Sometimes relationships are- hella fuckin tricky. It's better she doesn't keep leading you on with that stuff because you wouldn't be getting love in a relationship

🌸❖**B u N N y**❖🌸 07/17/2021 10:51 PM

that's not the point of what i mean

the reason im upset and because if i'm correct, she led me on for two years and any time she told me she actually loved me was a fucking lie fuck

Moving !!! 07/17/2021 10:52 PM

Maybe she thought it was real

🌸❖**B u N N y**❖🌸 07/17/2021 10:52 PM

yeah just as real as it was when she'd tell crow and mune the same thing

Moving !!! 07/17/2021 10:52 PM

I tell my friends I love em, cause I do, and I love you a different way

🌸❖**B u N N y**❖🌸 07/17/2021 10:52 PM

and yet when i ask her if she loves me she deflects it

Moving !!! 07/17/2021 10:53 PM

Because maybe she's figuring stuff out with being aro

🌸❖**B u N N y**❖🌸 07/17/2021 10:45 PM

it makes me feel so fucking used oh my god like if you don't like me just tell me, don't lead me on for two fucking years FUCK

Gaslighting me while I was on medication:

As mentioned, I was taking medication that made me very much not understand my feelings. It was very scary. Here is how the fuck Konnie reacted:

🌸❖BUNNY❖🌸 01/06/2022 8:55 AM

And you should be,

I already spoke to sig the other night and he showed me what you'd said to him.

Baby it's kind of hard for us to be romantic if you're going offline so much to have your little moments or you have an episode and then you don't acknowledge it the next day.

I'm well aware that sometimes you treat me poorly. However the reason I stay with you is because I love you.

You positive moments significantly outway the negatives.

You don't tend to listen to advice because you shut down so easily and that's something you'll have to work on.

I do love you

And even if I'm not you, I do know you love me romantically,

I do know that you do

We all have our bad days, however you've been acting completely different ever since you got on your new meds. You act more hostile and are becoming more and more easily upset.

Yes communication is good for something like this baby,

However again, I know you love me, you're just struggling

Moving !!! 01/06/2022 8:56 AM

I do love you but I don't know if it's because of the meds or because of me

I can't tell if the meds are just helping me with stuff or if it's harming things

The things I said to Sig, btw, were private vents of me struggling with handling my emotions with my meds. I should have told Konnie first, I acknowledge that. However, as you will see more of, Konnie made it very hard for me to ever feel safe telling her things.

Moving !!! 01/06/2022 8:56 AM

I do love you but I don't know if it's because of the meds or because of me
I can't tell if the meds are just helping me with stuff or if it's harming things

🌸❖**BUNNY**❖🌸 01/06/2022 8:57 AM

Like I said baby, you've been acting completely different ever since you got on them

Moving !!! 01/06/2022 8:57 AM

I don't know if I'm me anymore

🌸❖**BUNNY**❖🌸 01/06/2022 8:57 AM

And we'll work through that together baby

Moving !!! 01/06/2022 8:57 AM

I don't know if it will change with the meds

🌸❖**BUNNY**❖🌸 01/06/2022 8:58 AM

Baby,
Eros

Moving !!! 01/06/2022 8:58 AM

Because I will be taking other meds if I get off these ones

🌸❖**BUNNY**❖🌸 01/06/2022 8:58 AM

Sometimes it'll never be the meds that can help you.
Sometimes the battles you have with yourself have to be dealt with, without the help of medication. You and others around you are your medicine for your inner battles.

Sometimes it's just something you have to work through
And soon when we're together, we'll figure it out together
Baby

If you didn't love me romantically, you wouldn't be planning for the future with me, we wouldn't be constantly talking about wanting to be together,
If it was platonic you'd do what canary and all my exes had done

Moving !!! 01/06/2022 9:01 AM

I know but I don't know if I just was pushing that to make myself feel like I am in lcoe

🌸❖**BUNNY**❖🌸 01/06/2022 9:01 AM

Baby you werent

Moving !!! 01/06/2022 9:01 AM

I can't tell Kit

I really can't

🌸❖**BUNNY**❖🌸 01/06/2022 9:02 AM

Sometimes relationships can feel like this,
Considering its a very long distance one.

Long distance relationships often hit a rock like this and it's just something that has to be worked through

Neither side can be by or near eachother so it's an unsureity as to whether or not they'll still love eachother

It's just something we'll have to get through together and figure out baby

Eros,

Listen

Moving !!! 01/06/2022 9:07 AM

Mm

🌸❖**BUNNY**❖🌸 01/06/2022 9:10 AM

You do sometimes do really messed up things or say something that absolutely is not ok. You can do bad things when you're upset. And the center of it all is me where you'll output that kind of behavior.

I don't stay with you because I enjoy any of that. It fucking is awful, it really is. However,

I stay with you because at the end of the day,

I still love you,

No matter what, I love you

You aren't always going to make the right choice,

But when has anyone ever? Relationships aren't perfect and it's never a smooth road. It's an even bumpier road when you take into the fact that we're long distance.

It's also the time of year where everyone quite literally is not themselves. It's winter and everyone will act different in winter.

It's a seasonal depression thing,

I stay with you because at the end of the day? Even if you've done something that wasn't good, I can still sit down and know that I love you. And I'll continue to love you

It's just a road we'll have to smooth out together honey

If you didn't love me, you wouldn't of been worried a few weeks ago that you'd done something to upset me and that I wanted to leave you,

It's ok to have your worries, however some times we'll have to get through it together

Moving !!! 01/06/2022 9:14 AM

Idk kit

I gtg to class

I feel like you're putting emotions onto me and I get I do one thing but I sometimes things change and my emotions change and

Yea

Idk

🌸❖◆BUNNY◆❖🌸 01/06/2022 9:18 AM

Then what do you want to do

If you don't love me and haven't loved me then why did you stay with me

Only a few days ago you'd made a joke saying 2 years soon

Moving !!! 01/06/2022 9:21 AM

Kit I do love you I just don't know if I love you romantically or if I can handle dating someone atm

I know you're fine with me being cruel but I still feel bad and I don't like living with that. I don't like doing things that are cruel. I don't like that my meds are making me the way I am and I don't know if it'll change.

And I feel like sometimes my emotions aren't looked at either. Sometimes I can't do things cause of my mind set and I feel like I get in trouble with you over it. Or when I asked for a break and you said I was ignoring you the next day. I just. I don't know how to feel because again I don't want to loose you but I don't know if I want to date

🌸❖◆BUNNY◆❖🌸 01/06/2022 9:23 AM

We weren't taking a break, I'd explained that didn't need to happen and you said ok,

However it's hard to tell what you even wanted when you were dming me yourself? Even after the talk? And then dming me that day and the next. That's not taking a break, that's just a way of saying you didn't want to talk to me unless you started to talk first

I've never lashed out at you since we've started dating. Not a single time. I've never gotten mad at you or gotten hostile towards you. So It really fucking upsets me when you say you're worried how ill react when all I've ever been is patient

"When all I've ever been is patient" when she is clearly being impatient here. She had gotten mad and hostile towards me. I cut out part of me rambling calling myself cruel, its not important cause I don't say shit about her bein' awful.

🌸❖**BUNNY**❖🌸 01/06/2022 9:38 AM

I can handle the cruelty because of my morals and beliefs.

Moving !!! 01/06/2022 10:09 AM

Kit I worry because I have trauma from past relationships and reactions.

I worry how anyone reacts all the time.

🌸❖**BUNNY**❖🌸 01/06/2022 10:11 AM

🌸❖**BUNNY**❖🌸 01/06/2022 3:07 PM

You haven't done this in a little bit but you even admitted to it, but calling me zee

Treating me like a child when I get into a situation such as the money one

Yelling at me when I haven't done anything wrong

Having episodes about being suicidal or wanting to hurt yourself and then go offline while we're still talking about it and then not acknowledging it the next day

It's all really toxic behavior,

And while I don't care if you vent to me or ramble because it's ok, you need to learn that I'm not trying to argue with you when I'm returning my words to you. You're very quick to jump.

Moving !!! 01/06/2022 3:08 PM

Btw the money situation? Yea, this happened a lot. Where I repeatedly had to help her pay for things she could not afford. She would buy things without having the money for them.

Konnie has repeatedly used me using her name as an example of me being abusive. She will bring it up. Repeatedly. So let's talk about that!

Oh man seeing as she said I used it so many times after this to make her shut up and admitted to it-

Oh whats that

She added the me using it to shut her up and I only used it once after this so she'd take me seriously cause I didn't think a pet name would work? Even though she said I did it multiple times and was super hostile towards her?

Oh but I used it repeatedly between that, like she says later- What? I didn't and she just used this one instance to gaslight me repeatedly into feeling bad?

And that's fine, if you cannot have a conversation like an adult and act like an adult without assuming shit then that's fine. Were done and I'm glad we are. All you've done these past 3 years is repeatedly abuse me time and time again and I'm genuinely sick of it. If you want to act like a victim like you always do and try to turn this around me me like you do every single time that's fine but I'm not going to listen to it. You're genuinely a piece of shit and and you always cry victim every time you abuse me. You abused dae last time and I'm not sticking around for you to do that again. You're genuinely such a dick it's not even funny. Considering you think in your little head you're a fucking victim despite having

Threatened to cheat on me

Told your own partner not to talk about me

Gaslight me when I tried to set a boundary about you not including dae in our relationship shit before you two were together

Intentionally calling me the name I told you not to, to make me shut up.

All you do is gaslight me, abuse me and lie and every single time you do anything wrong somehow I'm always the one forced to apologize. I'm done, I've been considering this for well over a year, go find someone else to abuse. But it's not going to be me.

You haven't done this in a little bit but you even admitted to it, but calling me zee

ITS NOT LIKE SHE WOULD USE THIS IN A POINT OF CONVERSATION TO GET ME TO STOP TALKING THO. RIGHT ?? RIGHT-

Cheating. Except actual cheating, that Konnie did:

To put it very basically: Konnie and sig broke up. Neither told me they got back together. Instead, I had to figure it out. I asked konnie about it, she apologized and brushed it off cause she was having a break down. I brought it up again and **she still somehow managed to put the blame on me.**

Correct! But I still answered in a calm manner

Moving !!! 01/17/2022 11:11 PM

That doesn't mean it doesn't feel like it's an empty apology because you're having an attack and your mind is somewhere else which again I don't blame you for because you were stressed

And I'm not gonna fucking blame you for that but do you see
What I mean

Because I bring it up a second time when you're not having an attack and thinking clearer and was just met with you didn't wanna irritate me

When you just say sorry and ok and yea it feels like you're brushing off what I'm saying and like you don't care what's upsetting me because you don't acknowledge what's upsetting

❀❀◆**BUNNY**◆❀❀ 01/17/2022 11:35 PM

Eros I'm a big girl I can understand what's being told to me no matter what I'm feeling and I can give clear answers.

I'm upset because you're sitting here assuming that something is this or that when I told you how it is. You're just trying to say I don't care when I've told you more than once now that I did.

2 short answers, neither being negative and both clear should not drag you to the conclusion that I didn't give a shit.

If I was brushing it off, I would of avoided the convo.

What I'm struggling to understand however is how it feels like you're shoving

If I was brushing it off, I would of avoided the convo.

What I'm struggling to understand however is how it feels like you're shoving the blame down onto me?

I apologized, and I agreed with you that if I were in your shoes it'd make me upset, and I agreed it wouldn't happen again.

The convo would of continued at any time today too. Hell at any point it could of. I even asked you earlier what was wrong and you could of brought it up there.

I never brushed the conversation off. You ended both convos yourself even if you didn't intend to.

I kept replying,

It's pretty hard to tell a convo is still going if one of the parties has apologized and the other then moves onto something else.

🌸❖**BUNNY**❖🌸 01/17/2022 11:39 PM

And I'm pretty sure this is a 100% valid response

I didn't want to irritate my boyfriend

And I misunderstood

The way you think I feel is not the way I actually feel.

And its really upsetting that you're trying to just shove an emotion you think I feel onto me when I clearly said I did care

Like that's not ok

🌸❖**BUNNY**❖🌸 01/17/2022 11:57 PM

I apologized and I agreed with you.

You're quite literally whether intentional or not, attempting to push how you

You're quite literally whether intentional or not, attempting to push how you think I feel as if it's how I actually feel. Like

Eros baby ;,;?

What are you trying to do that? ; ; that's absolutely not at all ok

January 18, 2022

🌸❖**BUNNY**❖🌸 01/18/2022 12:27 AM

Like I'm fucking crying

Why the fuck would you be treating me like this?

I had valid concerns because you are prone to getting easily upset by small or big things. And so I didn't want to bother you and assumed it'd be ok since it's someone I had broken up with for 2 days.

I had both my boyfriend's break up with me in the span of a few days. I didn't get to process either and have been dragged around by everyone around me for the past two weeks. I did everything right, I apologized and agreed. So what do you want from me so fucking badly. I did the right shit so what more could you possibly want.

Moving !!! 01/18/2022 7:10 AM

Kit I explained why it feels like you didn't care, because you only apologized when you had other stuff going on and even said you were disoriented and I explained I didn't have any way to tell me you understand. There wasn't context clues because I don't pick up on context clues and again we've agreed we need a talk about this before in the past. It feels like you aren't actually looking at how I feel Kit. You didn't show anything to show you cared that it was upsetting cause it feels like a very behind my back thing. It doesn't matter how long it was bun because it still hurts me

I'm not projecting that emotion onto you I'm saying why it feels like that. It feels like you don't see how I'm feeling as valid or like they're lesser

And with the second conversation you gave short answers and did something else. You ended it by saying yeah and not saying anything else. You didn't acknowledge why I was upset you didn't show you understood which I repeatedly said. I repeatedly said I don't blame you. But shit kit why do I always have to be the bad guy in this ? I just want to see you understand why it's upsetting to me.

That's literally all I ask for.

❀❀◆BUNNY◆❀❀ 01/18/2022 7:19 AM

I've already said I understood more than once. But you're treating me like I'm some fucking idiot who can't take in information no matter the time. I'm sorry I didn't give you some wordy response to two questions. But that doesn't prove I didn't understand or didn't care.

Moving !!! 01/18/2022 7:19 AM

How am I treating you like an idiot ??

We're having a mature conversation right now I don't get how that translates to treating you like an idiot.

I didn't talk about it earlier because I didn't know how to bring it up that it was still upsetting. I never said you were an idiot or because I thought you were stupid.

I have fucking attacks kit, I never take in information when I have them and most people I've met don't take in information when having an attack. Again that's why I didn't get upset that it felt like it was brushed off earlier.

I didn't expect a wordy response to are you upset with me

I expected you to not just say "well you shut down easily" or say that you misunderstood and apologized. But you didn't all you said was short hand responses after, stopped replying. And then I just thought I did something wrong because you said nothing else.

❀❀◆BUNNY◆❀❀ 01/18/2022 7:26 AM

And I said no

🌸❖**BUNNY**❖🌸 01/18/2022 7:26 AM

And I said no

Eros you're treating me like an idiot by saying I didn't understand and didn't care. You kept trying to push that throughout the whole talk. And when I said I did care you proceeded to move onto *that's how you read it*. The way something can be read is not how that thing is at all intended to be.

You asked me if I was upset with you and I said no

And yeah! You do shut down easily, since not long after you made a vent art about me about this personal situation and posted it publicly for the whole server to see!

Like

And I again, apologized and said it wouldn't happen again

So what are you trying to achieve here? I'd understand if I'd refused to apologize but what do you want out of this?

It also wasn't a behind your back thing? It was me getting back together with the guy I broke up with almost immediately after a break up. It wasn't like it

It also wasn't a behind your back thing? It was me getting back together with the guy I broke up with almost immediately after a break up. It wasn't like it was some random fucking guy, I didn't think anything of it because I didn't know you'd be upset with me getting back with my boyfriend.

You don't

You're not getting it

you're not getting it

🌸❖**BUNNY**❖🌸 01/30/2022 9:12 PM

Eros I understand you like them and you're upset by it, but you cannot just jump to conclusions so fast? Without actually talking it out with me. It turned into a "you do this" and "no well you did this" bullshit. On both sides.

Like I know im not the best with these kinds of things and I'm not blaming you because i know how i reacted wasn't very good either

but it's just a back and forth, just a fight when it literally doesn't need to be a fight from either of us

like

why are we fighting over this

Moving !!! 01/30/2022 9:15 PM

You sent something and I said I was having a time. I said you wouldn't like it, you said to tell you, I told you, I was trying to explain my emotions and you just happen to bring up our ann during that. I don't care if it wasn't on your mind but you only made it convenient. You're brushing the fact I said I was upset because you had to get your opinion in.

You then proceeded to say "well I've had a tough time at work and relapsing so ofc it's not on my mind but why isn't it on your mind" when you know I am taking new fucking medication and my great aunt just died whxih mean I'm already dealing with my dad

We're fighting because you treat me like I'm in the wrong even when you ask for something.

Saying "well it's our ann" after that is not ok.

And it's not silencing you.

🌸❖**BUNNY**❖🌸 01/30/2022 9:17 PM

and you think implying me bringing up my relasp for pity points is just as appropriate

appropriate

Moving !!! 01/30/2022 9:17 PM

I didn't say the relapse was for pity points I said you brining up the fact our ann was.

I never say relapsing is for pity points and you know why I don't.

You made our anniversary convenient for you.

Convenient for you to feel bad that I may have a crush on someone

While you are dating a whole ass other person.

That is not ok.

🌸❖**BUNNY**❖🌸 01/30/2022 9:19 PM

Eros i again never said you can't be with other people

so that doesn't exactly work there

someone saying they wont like something and saying you can't do something are two different things

Moving !!! 01/30/2022 9:20 PM

🌸❖**BUNNY**❖🌸

01/30/2022 9:23 PM

then i'm sorry, and i want to know how you're feeling, i understand what i said wasn't fair at all to you because its selfish to make you being upset about something turn into me and turn it around on you. I know it wasn't fair and I shouldn't of done that, and I'm sorry

Moving !!! 01/30/2022 10:06 PM

Oh man I hope she never uses the fact I get crushes against me and doesn't make me think that, with a statement like "I never said you couldn't get with other people" doesn't make me think I can ask someone out even if she states she's uncomfy. Anyways-

Moving !!! 02/04/2022 12:30 PM

Moving !!! 02/04/2022 12:32 PM

With getting with sig and not telling me until I figured it out and that send is sending screenshots without you at least telling me until it was relevant in a convo. It makes me feel uncomfortable

Especially since I have a bad history with people sending screenshots and not telling me

🌸❖**BUNNY**❖🌸 02/04/2022 12:34 PM

Baby my boyfriend showing me what my other boyfriend is saying about me is not an issue and should not ever be

Moving !!! 02/04/2022 12:34 PM

How is that

Not an issue?

🌸❖**BUNNY**❖🌸 02/04/2022 12:35 PM

Because something you'd specifically said was I wasn't being romantic enough and I've tried to pay even more time and attention to you

🌸❖**BUNNY**❖🌸 02/04/2022 12:36 PM

It shouldn't be about a trust between me and you on that, it's a trust between you and him

Moving !!! 02/04/2022 12:36 PM

It is but it's also like- not being told until later or just feeling like I'm not being told important stuff

🌸❖**BUNNY**❖🌸 02/04/2022 12:37 PM

Baby I apologized for the getting back with sig without telling you repeatedly. You're told important shit when important shit happens, that was quite literally a one time thing
Nothing important has happened since so I don't understand
Him sharing those dms also happened at the beginning of January, before the talk about the get back together thing

Moving !!! 02/04/2022 12:39 PM

It's not that I don't trust you it's- Ok what I mean is
It's

I feel like if you both talk about and send dms about stuff like that, or things like being told I would no longer be talked to about my partner to only be vented to about him wanting to break up with you and you two getting back together without even talking to me it makes me feel like- what else is going on ? I feel like I keep getting half truths or lied to when it comes back to both of you guys relationship and while I don't want the nitty gritty everything it makes me feel- idk uncomfortable. Like I'm left out of things when I feel like I'm a poly relationship sig and I should be able to have private moments where I won't feel like it's being shared about. Because it makes me think what if other stuff is being shared that I'd rather keep between the both of us.

I don't know if that expresses it right

🌸❖BUNNY❖🌸 02/04/2022 12:47 PM

Baby me and sig only get a few hours each day to talk. That consists of mostly speaking in chat rooms in other servers. We aren't dming as often as you'd think. We don't share no little fucking secrets nor have private convos other than when hes venting or im venting. I don't lie to you at all? I don't share what is private. I keep everything happening rather private unless something is upsetting me.

I think it's more so your mind making you over think it too much. The longest sig and I talk on average in private is normally about 20-40 minutes.

I spend much more of my time in my dms with you, since you tend to want more attention. On top of that due to timezones, he's at school when I'm out of school. It's becoming afternoon for him when I'm going to bed. Where as with us, we can talk all day and night because we're only an hour apart

Nothing else is going on

If there was, I'd tell you

I don't keep secrets

So sig and I ended up talking this out. I bet me calmly blocking them so I wouldn't get upset definitely set Konnie into getting mad at- Oh.

🌸❖BUNNY❖🌸

I feel as if you need to reconsider somethings as I really don't think it's fair that since I upset you therefore i am in the wrong but since you upset me you're not in the wrong because it didn't affect you.

During the tek situation you argued with my stance of letting people *interact and troll them* until Tek started mocking *you*. You backed down after that happened.

Ty for having this convo. Please don't interact with me.

But what is that screenshot pulled from ?? Well I'm glad you asked. Behold: the great threatening-to-cheat bullshit konnie lied about. Can you tell I just gave up immediately. Also another note !! I was never told that Konnie had changed her plans. This was only brought up. At this point.

Moving !!! 05/09/2022 9:39 PM

Aaa hey

I've been talking with a couple friends about our conversation about me dating other people

I still don't feel like it's fair that I still can't date other people and have to wait till you arrive here. Its not like I'm replacing my time with you for someone else, or I love you less. I feel like even when you get here that you still might not even let me date people outside you.

It feels controlling and unhealthy because you still get to date outside me and won't take the time to meet this person even, and it's mostly just me having to sit and wait and deal with it the whole time. I feel like I'm being put into a box because of it and I don't think it's healthy to feel boxed in a relationship. I don't want to have monogamy pushed onto me when that's something I want to control. It feels like you're putting your discomfort and distrust of me over my happiness of being poly. N yea

🌸❖**BUNNY**❖🌸 05/09/2022 9:44 PM

Eros, I myself am not comfortable. Ive already stated why. I dont like that im not there and youre there with someone else doing god knows what. I upsets me more that youre gonna just sit there and say that im not gonna let you when m there, when i literally said id be more comfy if i was there. Because I dont like being forced to interact with someone who my bf wants to get with if the introduction isnt natual and not set up

It makes me anxious and uncomfortable, ive already told you, i know its selfish. Im well aware. Because im a selfish person who wants the attention on me. Ive said this before

due to my past trauma and relationships its hard for me

Moving !!! 05/09/2022 9:47 PM

Moving !!! 05/09/2022 9:49 PM

Ok so then im going to ask this guy out during June

🌸❖◆BUNNY◆❖🌸 05/09/2022 10:44 PM

Then im not gonna be with you

🌸❖**BUNNY**❖🌸 05/09/2022 10:44 PM

Then im not gonna be with you.

Basically what youre sitting there and doing is saying, fuck you i dont care if it makes you uncomfortable, im gonna do it anyways.

Eros. I shouldnt have to be fucking told. To choose. Between you and Sig. That was fucked up. Ive never once told you to do that. FUCK i never did it when me and sig werent dating but you two were. Back when my conception of him was twisted.

I shouldnt have to sit here and basically be told off, such as when you talk about our problems with your friends. But got mad when Sig told me what you were saying about me. I shouldnt have to feel anxious or uncomfortable. I shouldnt have to feel like i need to one up what im doing every fucking time im doing something for you. Or feel like fucking shit when you arent getting the fame you deserve but i am.

I shouldnt have to fucking bid my time, trying to figure out if or when the next thing ill do will make you upset. You tell me im the love of your life. The only person. But you then get mad at me when i hesitate to let go. No. Im the love of your life until I make you upset.

I shouldnt have to- sit down and tell you not to treat me badly. Or have to be told from you. Yourself. That youd do things to upset me on purpose.

I tell you something makes me uncomfortable. And you tell me youd never do something that makes me uncomfortable. But you turn around and do just that. Without like a second thought what so ever. You were gonna do it whether i gave you approval or not.

Arguments in relationships are normal. Any relationship, friendships or dating

Arguments in relationships are normal. Any relationship, friendships or dating or married. Arguments are bound to happen because its two different people. Whats not normal, is having to be told you were doing something to intentionally upset me.

Eros. I understand. Me dating Sig makes you uncomfortable. You dont like him. And he doesnt like you. But i cannot control how you two think of eachother. I cannot control that when you two cannot have a full talk to get your sides out. You both once were friends. And your emotions drove eachother apart. That has nothing to me and I should nothave to sit and be told to fucking choose. That is the one thing i have been fearing for months. To be told to pick between the two people I love. That is so fucked up. Its fucking disrespectful and awful. Its even worse when I know. Even if I fucking chose you over him. Youd still get with someone else whether im there or not. Since youre poly. Because theres nothing stopping you from being truly happy. Other than me.

It fucking sucks. So bad. I love you so fucking much. But I cannot keep doing this. I shouldnt have to feel like I need to up everything i do to make you happy. When it fucking feels like nothing I do makes you happy. I get you everything I can. Because all I wanted was for you to be happy. All i ever wanted was for you to be happy because I love you and i was so excited and wanted to plan our life together. but its clear that its not gonna work when my boundries are crossed so easily by you. Since this isnt the first time youve crossed a boundry.

I love you eros, I love you so much.

But as I said. it makes me uncomfortable. I explained more than once why. Hell you even said last time that it made more sense.

Im not going to stop you from being happy. im not gonna stop you. I cant nor would i try to. But, im not gonna be with you. I dont want to feel like this. Im tired of my boundries being crossed. Go be happy with this guy. Hell make you happier than i did.

Moving !!! 05/09/2022 10:46 PM

Because you can't be in the wrong. You've crossed my boundaries and I repeatedly.

You cannot tell me you can't chose when you're uncomfy, but when it's me I have to chose you or someone else it's an issue.
If this is seriously how you're gonna react then ok.

🌸❖**BUNNY**❖🌸 05/09/2022 10:47 PM

🌸❄️*BUNNY*❄️🌸 05/09/2022 10:58 PM

i never said im uncomfortable with you being poly eros

i said im uncomfy with you getting with people right now when im not there

No

So if we look back at the co-owning thing: I fully paid for sugar. I helped pay for this deer that she traded. **King was a gift and so was Tang.** Also note that I HELPED PAY FOR PANCAKE. WHO WAS MY BIRTHDAY GIFT.

May 10, 2022

Moving !!! 05/10/2022 12:40 PM

🌸❖**BUNNY**❖🌸 05/10/2022 12:42 PM

🌸❖**BUNNY**❖🌸 05/10/2022 12:45 PM

I didn't reply because if you don't want to be friends ok.
I'm fine with that, I'm fine with you wanting to cut me off if it makes you happy

🌸❖**BUNNY**❖🌸 05/10/2022 12:46 PM

Eros you posted about me publicly

Moving !!! 05/10/2022 12:46 PM

I deleted it after

🌸❖**BUNNY**❖🌸 05/10/2022 12:47 PM

🌸❖**BUNNY**❖🌸 05/10/2022 12:47 PM

Why would I do thay
That to you

Moving !!! 05/10/2022 12:47 PM

Because everyone just fucking lies to me because I guess it's fun to see me
stress

Oh by the by:

After our fight. She removed me from all our servers. And told all our friends I was abusive. So i
vented on twitter because I legit had fucking no one else to talk to.

Moving !!! 05/10/2022 12:47 PM

I don't think anyone does

I think both of us are fucking miserable

🌸❖BUNNY❖🌸 05/10/2022 12:49 PM

It doesn't exactly feel great to have one of the last things said to me by someone I love "at least he listens"

Moving !!! 05/10/2022 12:49 PM

Doesn't exactly feel great to get banned from your only safe space and have things ended with calling me a liar

And saying I was replacing you

And then having gifts gotten for me taken back

You know on top of loosing my best friend and gf

Because I'm interested in a guy

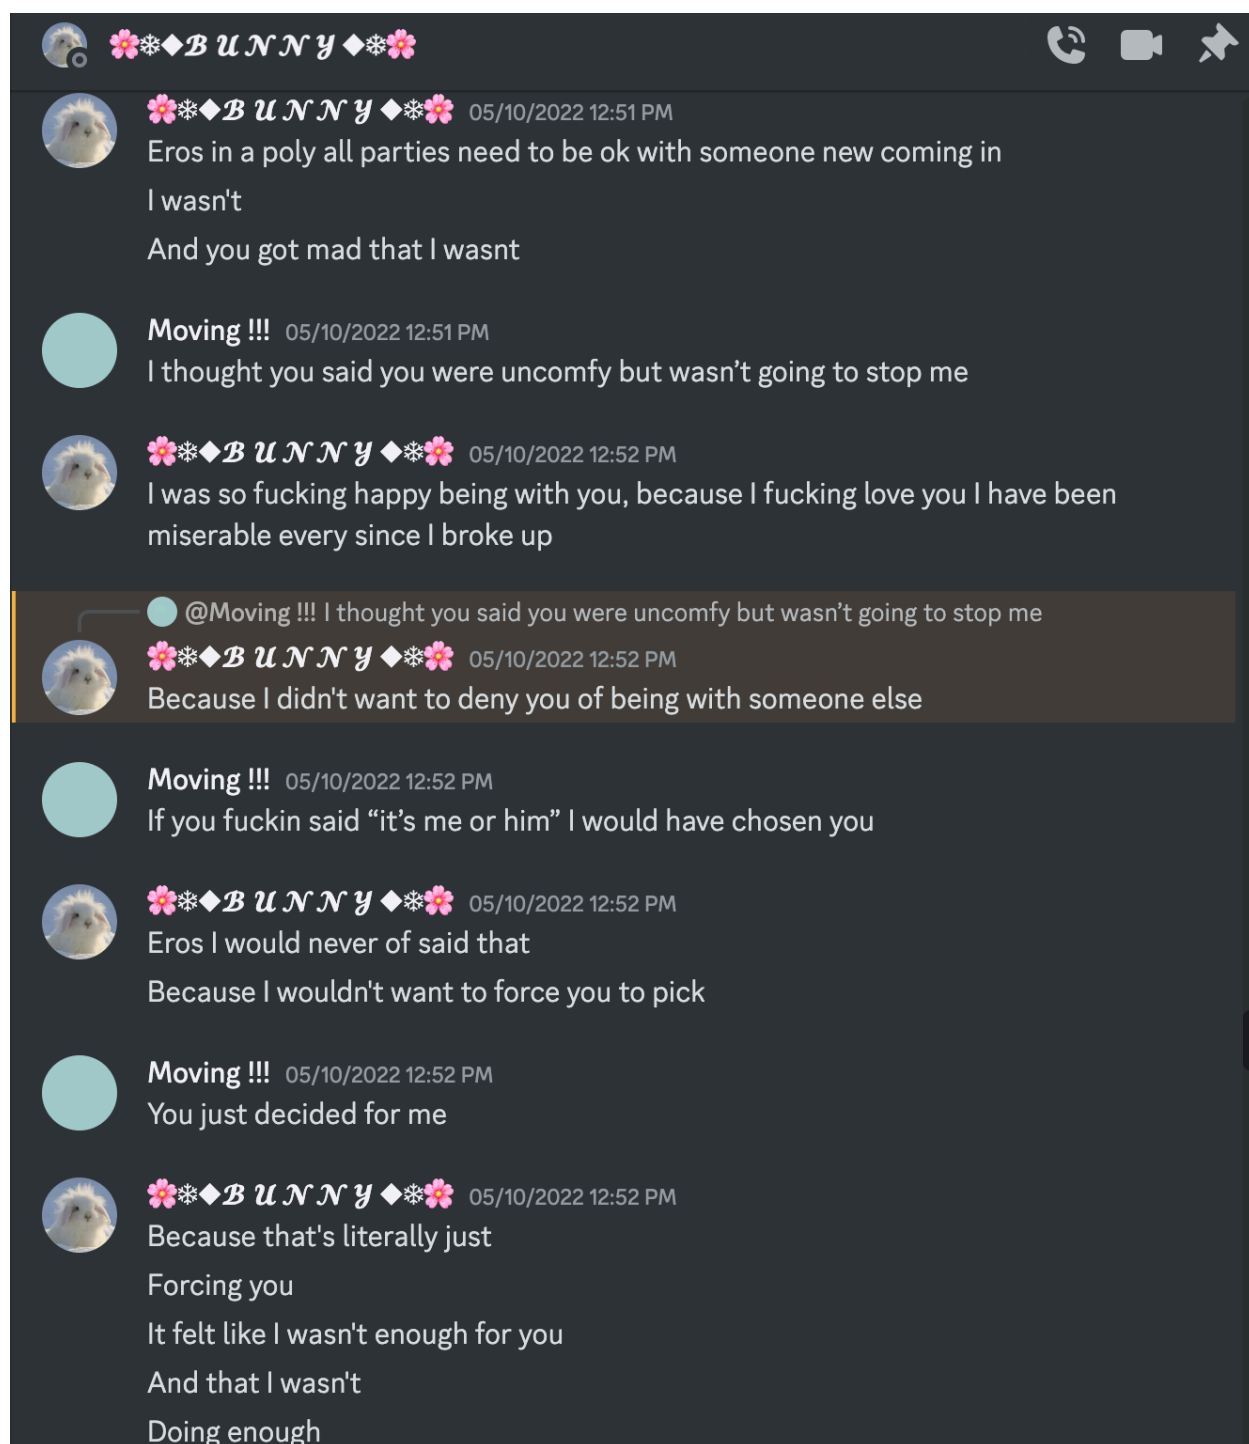

🌸❖BUNNY❖🌸 05/10/2022 12:51 PM

Eros in a poly all parties need to be ok with someone new coming in

I wasn't

And you got mad that I wasnt

Yes, adding the “I fucking love you I’ve been so miserable” after again- isolating me from my entire friend group. And telling them I was a shitty abusive person.

For right now let's just... soak up the irony of the statement.

Eros
We've known eachother since 2018. We've known eachother for 6 years and been dating for 2 of them. Do you honestly think I'd just drop you?

As you can tell, the start of this month I was very much tryna see what all was good. Again: was

under the impression discomfort didn't equal I was getting fucking dumped. But this is the only time queer platonic partners is mentioned, iirc I had to explain what they were to konnie in a server.

Let's skip to 2023. Around this time I was making a set of matching icons for: me, konnie, sig, and our buddy dae. Dae was jokingly like the third wheel at the time, however, hy was also very much one of my closest friends. I made 0 indications I liked them at the time. And made it clear I had no intentions of dating after June of the year before because **I dunno I guess trauma made me less likely to do shit.**

So again this whole convo stemmed from me making matching icons for my friends and gf- fuckin nothin else.

🌸❖**BUNNY**❖🌸 03/06/2023 7:30 PM

I wanna set another boundary

Moving !!! 03/06/2023 7:31 PM

Sorry m thinking what to say

Ok

🌸❖**BUNNY**❖🌸 03/06/2023 7:32 PM

I don't want dae or anyone else included when talking about us or the poly anymore, it makes me upset and makes me feel like I'm competing with someone who isn't even in the relationship. It makes me feel upset and jealous

Makes me shaky just asking but I just don't like it

I dunno it was funny at first the haha 3rd wheel stuff but I just I don't like it (edited)

Moving !!! 03/06/2023 7:36 PM

I need time to think please

🌸❖**BUNNY**❖🌸 03/06/2023 8:03 PM

If you're considering breaking up with me you can, I understand, I know I'm a shitty gf and m holding you back because of how I am. I'm shit and aren't a good gf for you and you should be with someone better who doesn't hold you back

Moving !!! 03/06/2023 8:05 PM

I don't want to break up with you kit, but I feel like you do hold me back sometimes

I'm fine with boundaries and I've done my best to work and respect them, but I feel like your boundaries are pushing into me not being allowed to be poly. And I'd be fine with being monogamous if you weren't also dating someone else

🌸❖**BUNNY**❖🌸 03/06/2023 8:07 PM

I'm not poly either though

🌸❖**BUNNY**❖🌸 03/06/2023 8:07 PM

I'm not poly either though

Moving !!! 03/06/2023 8:07 PM

So then why are you dating two people ?

🌸❖**BUNNY**❖🌸 03/06/2023 8:09 PM

Because I'm ambiamorous

After canary left me I realized I don't want or need anyone else and just wanna settle down with my bfs

I know you've had a crush on dae for months even if you don't tell me

Moving !!! 03/06/2023 8:10 PM

I don't actually.

🌸❖**BUNNY**❖🌸 03/06/2023 8:10 PM

Then who was it? Was it someone from school baby?

Moving !!! 03/06/2023 8:10 PM

No. I used to have a crush on dae, but I don't have any romantic feelings anymore

🌸❖**BUNNY**❖🌸 03/06/2023 8:10 PM

And if not then why don't you like me asking for dae not to be involved in poly stuff

Moving !!! 03/06/2023 8:11 PM

It's not that kit it's

You are still dating two people but I'm not allowed to date or even

Have a crush on other people

❀❀◆BUNNY◆❀❀ 03/06/2023 8:12 PM

I don't care if you get crushes, it just happens, I know it happened to sig on and off and it's happened to you before

Moving !!! 03/06/2023 8:12 PM

Every time I even mention having a crush or feelings or even having a qpp you shut it down or breakdown in my dms

❀❀◆BUNNY◆❀❀ 03/06/2023 8:12 PM

Yes I'm a jealous brat but I can't exactly control how the brain and heart thinks and feels

Moving !!! 03/06/2023 8:12 PM

Because you don't work on it

❀❀◆BUNNY◆❀❀ 03/06/2023 8:13 PM

I don't like the concept of qpp because at any point that platonic can become romantic I've seen it countless times irl

It's too scary for me because i also tried it a long time ago before we were together and that person tried to take it too far and ended up hurting me because I didn't want to go further with him

Moving !!! 03/06/2023 8:14 PM

But that's not what it's like for me, or was like for me

● Moving !!! Because you don't work on it

❀❀◆BUNNY◆❀❀ 03/06/2023 8:15 PM

I have tried to work on it and have tried to work on becoming comfortable with it but I can't just force myself to get over my worries because I'm too paranoid and anxious of being pushed off

Moving !!! 03/06/2023 8:15 PM

Because you don't trust me

"You're allowed to have crushes I'll just bring up our anniversary or make you feel bad because of it !!"

🌸❖**BUNNY**❖🌸 03/06/2023 8:15 PM

I do

It's my worries and trauma

Moving !!! 03/06/2023 8:16 PM

Why'd you never mention having a qpp before

🌸❖**BUNNY**❖🌸 03/06/2023 8:16 PM

Because I never felt it mattered to anything

Because I myself had no interest in getting a qpp after so I felt I wouldn't have to mention it

Moving !!! 03/06/2023 8:17 PM

But I've mentioned getting a platonic partner before and you said no because you thought that stuff was weird

🌸❖**BUNNY**❖🌸 03/06/2023 8:17 PM

On top of that back when I tried a poly for the first time, my ex did the qpp thing with some guy and i got cheated on

I don't think it's weird anymore but I don't know if I'm ready to bring that in yet

Because I'm still trying to get over my fear and worries of past stuff

I've considered it for a bit if allowing it but for the time being I just don't

Want anyone else brought up when it comes to us

Again I understand it's

A ridiculous thing to ask

Because I'm a fucking shit gf

Like you and I said I'm just holding you back

But if that's the case then you should just go be happy with someone else because I'm just gonna make you more and more unhappy as I do currently

I'm selfish and jealous and just not worth your time or work to try and be with because

I'm a bad person

I'm constantly getting you and sig dragged into shit but then get mad if you're dragged into it when it's my fault to begin with

And I just make you feel bad all the time like I do everyone else

I'm just shit and you shouldn't be torturing yourself to be with someone who's fucking gross like me

🌸❖💎BUNNY❖🌸 03/06/2023 8:31 PM

In the future, when we're living together, I wouldn't mind there being another partner in your life, I feel more comfortable then, but I just I get too anxious because you're so far away and anyone could be better than me

Moving !!! 03/06/2023 8:46 PM

I don't want to break up with you but I don't think you've been working on these things. I want to be able to even have friends like Dae or Lanie without feeling like you're going to have a break down and feeling like it's my fault.

I want you to work on jealousy or we are not going to work

🌸❖💎BUNNY❖🌸 03/06/2023 8:47 PM

But you're allowed to be friends with who you want

I've never stopped your from that

Moving !!! 03/06/2023 8:47 PM

But you still get freaked the fuck out

🌸❖💎BUNNY❖🌸 03/06/2023 8:47 PM

I allowed you to talk to someone I have bl

Moving !!! 03/06/2023 8:48 PM

Seriously.

🌸❖**BUNNY**❖🌸 03/06/2023 8:48 PM

I dunno if you're both friends anymore still but I've never stopped you from being friends with people even those I don't like

Moving !!! 03/06/2023 8:48 PM

Milo, the person you said was lying when he told me you called me abusive in the staff chat after you called me abusive in the staff chat

🌸❖**BUNNY**❖🌸 03/06/2023 8:49 PM

I get jealous when it comes to the crush stuff but I never get mad at you for it

Moving !!! 03/06/2023 8:49 PM

You freak out about it

Why did you dm me not wanting to have dae included when I mention the polycule

Moving !!! Milo, the person you said was lying when he told me you called me abusive in the staff chat

🌸❖**BUNNY**❖🌸 03/06/2023 8:49 PM

He was lying about things I wasn't saying, and saying what I was saying you said wasn't true

Moving !!! 03/06/2023 8:49 PM

What was the cause

🌸❖**BUNNY**❖🌸 He was lying about things I wasn't saying, and saying what I was saying you :

Moving !!! 03/06/2023 8:50 PM

No. He said you called me abusive

You said that was a lie

🌸❖**BUNNY**❖🌸 03/06/2023 8:50 PM

I'm talking about what he was telling the others

Moving !!! 03/06/2023 8:50 PM

He lied about shit sig said

He didn't tell the others that shit

🌸❖**BUNNY**❖🌸 03/06/2023 8:50 PM

Yeah he was? He was dming them?

That's how I found out

Moving !!! 03/06/2023 8:51 PM

No ? He dmed me saying you were calling me abusive and I asked for him to make a gc with the mods

🌸❖**BUNNY**❖🌸 03/06/2023 8:51 PM

Babe he literally was dming the mods and telling them I was lying

That's

How I found out he was talking to *you*

Because I was shown a ss of him saying I was lying about it

Moving !!! 03/06/2023 8:52 PM

He said you were lying when you were calling me *abusive*

I told him that's why I needed a *gc*

You were calling me abusive because of some shit that I did do that was abusive but also for wanting to date other people

And I know that because *Eze* said I was a dick for wanting to date other people.

In the gc.

🌸❖**BUNNY**❖🌸 03/06/2023 8:53 PM

I never called you abusive for wanting to get with othernpeople

Moving !!! 03/06/2023 8:54 PM

Ya threw it in with the other shit

Moving !!! 03/06/2023 8:54 PM

Ya threw it in with the other shit

That also doesn't change that fuckin got upset when I had lanie in my server

You refused to be in any convos with her and got jealous for us talking in the general chat

❀❀◆B U N N Y◆❀❀ 03/06/2023 8:55 PM

❀❀◆B U N N Y◆❀❀ 03/06/2023 8:56 PM

I've never had an issue with lanie once and had simply forgotten you called her your wife

Babes I literally do not care nor have ever cared that you're close with lanie because she came before me

🟢 Moving !!! Why did you dm me not wanting to have dae included when I mention the polycule

🌸❖**BUNNY**❖🌸 03/06/2023 8:58 PM

Because it's always dae you talk about and draw in and with the poly, I don't want our friends apart of our relationship?

You could of said or asked the same thing of me and it would of just been an automatic yes because I wouldn't want you to feel like I'm looking at other options

Moving !!! 03/06/2023 8:59 PM

Ok

I don't want you talking about sig or drawing them in the poly then

🌸❖**BUNNY**❖🌸 03/06/2023 9:00 PM

Wdym babes

Moving !!! 03/06/2023 9:00 PM

I don't want you drawing sig or mentioning them in the polycule if it includes me

🌸❖**BUNNY**❖🌸 03/06/2023 9:00 PM

I don't tend to draw us 3 together because he gets super jealous

Babes I thought I told you before

But I don't remember

But I thought I said I wouldn't talk about him or draw him with me and you

If you asked

Sorry my wifi is kicking my assnright now and mama keeps distracting me

Moving !!! 03/06/2023 9:02 PM

You haven't

Moving !!! 03/06/2023 9:02 PM

You haven't

You also always refer to us as your boys or your bfs

❀❀◆**BUNNY**◆❀❀ 03/06/2023 9:02 PM

Baby if you don't want me mentioning him or drawing him I don't gotta

Moving !!! 03/06/2023 9:03 PM

That's the issue then why are you dating em (edited)

❀❀◆**BUNNY**◆❀❀ 03/06/2023 9:03 PM

I dunno what you mean by that baby

Moving !!! 03/06/2023 9:03 PM

Why are you dating two people

You can't handle me or sig being with other people

❀❀◆**BUNNY**◆❀❀ 03/06/2023 9:03 PM

I told you I'm ambi

Moving !!! 03/06/2023 9:04 PM

No that is not

What I'm asking

❀❀◆**BUNNY**◆❀❀ 03/06/2023 9:04 PM

Sigs mono

Moving !!! 03/06/2023 9:04 PM

Sigs ambi

❀❀◆**BUNNY**◆❀❀ 03/06/2023 9:04 PM

Hes told me he's mono

Btw this is what ambi means, ambi means being ok in a monogamous or a polyamorous relationship with no preference.

I'm with 2 people and feel comfortable this way, but I wouldn't date anyone else and if one left I'd stick to mono unless one came back

Moving !!! 03/06/2023 9:05 PM

Sigs ambi but prefers mono

🌸❖**BUNNY**❖🌸 03/06/2023 9:05 PM

Ohh

Moving !!! 03/06/2023 9:06 PM

You still often show being jealous bun

You showed being jealous with lanie

I know this

🌸❖**BUNNY**❖🌸 03/06/2023 9:06 PM

I don't try to 🙄

Moving !!! 03/06/2023 9:06 PM

Because even lanie pointed it out to me

🌸❖**BUNNY**❖🌸 03/06/2023 9:07 PM

M sorry

Moving !!! 03/06/2023 9:07 PM

Don't be sorry just work on it

Please

You keep saying you do but I feel like this is constantly happening

🌸❖**BUNNY**❖🌸 03/06/2023 9:08 PM

I wouldn't mind you doing qpp stuff in the future, m slowly warming up to it, but for now I want it to just be us

🌸❖**BUNNY**❖🌸 03/06/2023 9:09 PM

I understand why people get qpp especially if they're in a long distance
It's often to fill the role of (minus **sex**) of just being able to have someone you can hold or
cling to or jus tbe able to have someone whenever and not have to worry on pressure of
romance because it's just friends being affectionate
It's just something I need to really become comfy with before I let it happen, It's just my
trauma and fear that's been choking me down

Moving !!! 03/06/2023 9:12 PM

And I understand that
But I'm serious, it needs to be worked on

Moving !!! 03/06/2023 9:13 PM

Thank you
I do love you. I want us to work
For now I won't draw Dae with the polycule
The only reason I include him tho is because besides you and sig he's the only other
person in close with

🌸❖**BUNNY**❖🌸 03/06/2023 9:14 PM

I know baby
I'm close with him too but I just I dunno
I want our love to be sacred because it's important to me I don't like feeling jealous
M sorry I'm a jealous gf I've been trying to work on it, I'm just a jealous person in general
and have been trying to talk with other friends to see how they deal with their jealosh
issues
I just like when
I dunno
I like being the center of your attention i like being able to feel like that 🥰
I know it's wrong of me
N bad

Moving !!! 03/06/2023 9:18 PM

Baby you're the center of my universe
No one else is gonna change that
Thank you for trying to work on it
I don't think you're a bad gf or a gross person
I think your jealousy is something that needs to be worked on
Ok ?

At some point this year, three days after I asked if our relationship was ok because I could tell somethin was off, Konnie dumped both sig and I cause she thought she was aro. I was fine with this. What I wasn't fine with was her calling me "baby".

But

I don't want to keep hurting you or sig

So I just need some time

Then there was the time that I was worried about her not having time to hang out cause she was doing art fight on top of a lotta other stuff. Again I am fully aware of work, as I say multiple times! Art fight however is super optional. And when I asked her this, I want you to look at the "well maybe that's something YOU have to think about" Like. I have. That's why I'm

talking about it.

Moving !!! 06/25/2023 9:31 PM

I didn't know that

What about the art fight stuff

🌸❖**BUNNY**❖🌸 06/25/2023 9:34 PM

What do you mean the art fight stuff?

Moving !!! 06/25/2023 9:35 PM

Asking about artfight and headshots, you probably shouldn't do it if you need to make money

🌸❖**BUNNY**❖🌸 06/25/2023 9:36 PM

I'm picking up double shifts throughout July for my job so I don't have to worry about falling behind

Moving !!! 06/25/2023 9:36 PM

So then where's the time for us

🌸❖**BUNNY**❖🌸 06/25/2023 9:37 PM

It'd be no different than last year? When I was doing commissions during art fight? As well as my job???

Moving !!! 06/25/2023 9:37 PM

You weren't working a double shift last July

🌸❖**BUNNY**❖🌸 06/25/2023 9:37 PM

I was working 9 hr shifts last year

The double shifts I take are 13 hrs

Moving !!! 06/25/2023 9:38 PM

It's why I try and start conversations or send you shit or doodle us together

🌸❖**BUNNY**❖🌸 06/25/2023 9:44 PM

Do you think you'd be happy with me for a long term relationship

Moving !!! 06/25/2023 9:44 PM

I don't know

Because I don't know what we're going to do if we live together when I feel like we don't actually converse

🌸❖**BUNNY**❖🌸 06/25/2023 9:44 PM

I think that's something you should think about then

Moving !!! 06/25/2023 9:45 PM

I have been thinking about it

That's why I'm talking to you about it

I don't know what we'll do together when and if we live together because I feel like most of what we just do is rp. I feel like I more or less have discussions with someone who doesn't care and I don't know if that's a thing I'm just now realizing or if it's been recent and by recent I mean the last few months

I feel like you only say I love you because I say it first

And idk maybe I do know the answer and I do wanna break up, maybe I'm crazy or something

🌸❖**BUNNY**❖🌸 06/25/2023 9:48 PM

As I said, I'm never much of a talkative person, you already know my interests, so I never really talk about what you already know, I'm much more talkative irl, compared to online

If you feel we should, then maybe we should

I don't want you to feel like you're trapped just because I become busy,

If you think the best thing for you is to not be with me, and you don't know if you'd be happy with me down the road, maybe it's best we split

Also the 0 response to "I feel like you only say I love you because I say it first". This feeling lasted to the very fuckin end.

Wow I hope she doesn't suddenly put her possible homelessness in something when i mentioned a singular thing **where she only told me she sold most of her adopts.**

❁❖**BUNNY**❖❁ 07/12/2023 12:08 PM

But why do you need others to look? Shouldn't you be posting for the purpose of showing off your work, regardless of if others care or not

Moving !!! 07/12/2023 12:09 PM

Because if people don't look when I need commissions I don't get fucking paid.

❁❖**BUNNY**❖❁ 07/12/2023 12:09 PM

Yeah but even still babe, plenty of artists aren't getting paid right now
Money has been shit to come by for a while
Many people are spending tons on ocs and not actual art anymore

Moving !!! 07/12/2023 12:10 PM

You literally just managed to sell multiple adopts for like
\$80-\$100

❁❖**BUNNY**❖❁ 07/12/2023 12:10 PM

No actually I really didn't
Most of those are set on holds till fall and winter
And the others have payment plans lasting till winter
3 of them were purchased via oc trade
And only 2 have been actually paid off.
I only managed to actually "sell" a few out of the 22. And those that did sell
are possibly needing to be put back for offers because people are ghosting
me.
I get lucky if the shit I'm proud of sells. And that spark with the adopts was
fucking luck. Because people weren't showing actual want towards them. And

All the money I get currently. I can't keep. It's not something I enjoy and I need to constantly grovel for money because I'm on the brick of being homeless.

I am taken advantage of repeatedly just for the sake of money to live with a roof over my head. If I spend it on something I want the most want to pay is 45
People stop buying if they think I'm becoming unhappy with my work and only show interest if I'm pretending to be all happy hobby. Money is disgustingly hard to come by right now. And the fact im making barely any to help my family from being homeless is a godsend

🌸❖**BUNNY**❖🌸 07/12/2023 12:18 PM

Same with the fact that dae needs to constantly minimize how much his shit should cost for the sake of feeding himself and his family? And is able to get the money is needs to do that is a godsend

People don't care about paying artists anymore. They want expensive ocs or shit from pop artists and designers. If those around us are getting paid, we should be grateful they are because even when we don't make money, at least someone is and is able to feed themself

Yes baby, it sucks you lost your account, but that means you just need to build yourself elsewhere

Idk Facebook sounding kinda fire

Moving !!! 07/12/2023 3:34 PM

Nah

I made my mama a grilled cheese

She liked it which makes me feel better

After this whole thing. Where she brings up how she's almost homeless- sent a 60\$ commission and then commented under the post "**can't wait to commission you again next month**". I asked dae to vent, hy said yes. I took Dae's advice and asked for a break. It is hilarious that the group tried getting on my ass for the break thing when it wasn't even my idea. On top of this, Konnie put all of the designs I had ever made for her UFS (I think there was at least 30). A lot of which were free and had no other art, or were meant to be here. I have only after this convo ever traded to get a design with one of the designs she made to be me (butters).

ΞᎠ† Daemon †Ꭱ 07/12/2023 8:34 PM

just now reading this n like wtf?? if you need me to i can talk to konnie why is she buying comms rn when she should be saving

Moving !!! 07/12/2023 8:38 PM

It isss up to you

She also kept talking about pop designers getting all the money n stuff but then also sold

Every design I ever made her even when some were free and personal and clings onto her maws designs

Which

Is great

I also got upset earlier this week because I the only piece of art I mages to pump out was being ignored and her response was just

“Well just cause you and Cody follow each other doesn’t mean your moots”

Which felt

Fantastic

ΞᎠ† Daemon †Ꭱ 07/12/2023 8:41 PM

maybe you too should take a break? it doesnt seem healthy and konnie just seems to be?? not in a good place with the way shes been behaving lately

Moving !!! 07/12/2023 8:42 PM

I feel like taking a break will just make that worse

Idk maybe it’ll help

ΞᎠ† Daemon †Ꭱ 07/12/2023 8:43 PM

maybe but this is clearly affecting you in a bad way dude

Moving !!! 07/12/2023 8:43 PM

Yea

So I asked for the break.

Moving !!! 07/12/2023 8:47 PM

I think we need to take a break from our relationship cause I feel like stuffs goin on and I feel like there's not communication happenin and when I try and communicate I'm upset over somethin I feel like you aren't understanding and I'm concerned cause you just told me you were on the verge of being homeless and then sent me a commission you got from someone

🌸*◆BUNNY◆*🌸 07/12/2023 8:51 PM

I purchased a 60\$ commission a few days ago via being mostly my irl friends money. I paid 10\$ of the 60. And I do understand when and why you get upset over things. If you want to break up with me I won't stop you.
If I'm not making you happy I'm not going to stop you from being happy.

Moving !!! 07/12/2023 8:55 PM

I literally saw you say you were gonna order again next month.
You don't seem to actually understand

🌸*◆BUNNY◆*🌸 07/12/2023 8:56 PM

And what of it? I'm not allowed to spend a tiny amount of my money to spoil myself???

Moving !!! 07/12/2023 8:57 PM

When you fuckin get onto me for being upset about my account getting suspended and cause I lost my main income source and your response is about how anyone should be grateful for money and how you're about to be fucking homeless and how I should just be grateful other artist get paid ??
Maybe feels a lil fucking upsetting.

🌸*◆BUNNY◆*🌸 07/12/2023 8:59 PM

Eros me being able to buy myself a little tiny thing shouldn't be an issue to you. And I didn't "get onto you"

🌸❖**BUNNY**❖🌸 07/12/2023 8:59 PM

Eros me being able to buy myself a little tiny thing shouldn't be an issue to you. And I didn't "get onto you"
I gave you ideas for other ways to make income that you shot down repeatedly

Moving !!! 07/12/2023 8:59 PM

Really ?? Because your TH getting deleted didn't restart a lot of how you earned money.

🌸❖**BUNNY**❖🌸 07/12/2023 9:00 PM

And when you tried to compare myself to you, both of us in bad situations by trying to put yourself below me?? That's not something I like?
And yes it was??

Moving !!! 07/12/2023 9:00 PM

I wasn't thing to put myself below you I was pointing out that you could sell adopts for higher than 10\$ as chibis
How that's something I can't even do
With a larger audience
And you acting like I can just rebuild what little I could already do is just easy !!

🌸❖**BUNNY**❖🌸 07/12/2023 9:02 PM

Never said that

Moving !!! 07/12/2023 9:02 PM

Yes you did.

🌸❖**BUNNY**❖🌸 07/12/2023 9:02 PM

How

Moving !!! 07/12/2023 9:02 PM

Seriously ? You just kept saying “rebuild your account just make a new account it’s fine”

🌸❖**BUNNY**❖🌸 07/12/2023 9:04 PM

Because you can rebuild an audience. That's how it works, you post and build an audience. Each time either being quick or slow depending. That's what happens when u make a new account?

Moving !!! 07/12/2023 9:04 PM

Then you said that I shouldn't post for views but for myself

Which has never gotten me anywhere

Oh yea and it so helps when you talk about “people only want pop designers!!”

And then sold all the designs I've pretty much ever given you, most of which were free and specifically made for fuckin you to be you but ya cling onto pop designers designs

Cause that made me feel

Hunky fuckin dory

🌸❖**BUNNY**❖🌸 07/12/2023 9:06 PM

It's about the attitude, if you show you're having a hard time your audience may see that and not feel as engaged.

Moving !!! 07/12/2023 9:06 PM

Or hey how about when I'm bummed an art moot I was very excited to have follow me doesn't seem to notice the work I did, and all I get is "well your not actually moots"

🌸❖**BUNNY**❖🌸 07/12/2023 9:06 PM

🌸❖**BUNNY**❖🌸 07/12/2023 9:07 PM

And?? That doesn't make it different? I've kept ones meant to be me or ones I can connect to??

Moving !!! 07/12/2023 9:07 PM

You literally gave away or tried giving away most of them

🌸❖**BUNNY**❖🌸 07/12/2023 9:08 PM

I only ended up trading away one of those designs I put ufo that you made because I didn't want to sell or trade them anymore since it felt weird?

The only one being traded being one that wasn't meant to be me.

Moving !!! 07/12/2023 9:08 PM

That still doesn't change that you gave up most of those designs or tried to

It makes me feel like my shit is never important to you

Unless I draw one of your characters or I make something you ask me for

🌸❖**BUNNY**❖🌸 07/12/2023 9:09 PM

You traded off a design I purchased for you?? And traded another away only to want it back so I had to work to get it back for you?? Only for you to ask me

🌸❖**BUNNY**❖🌸 07/12/2023 9:09 PM

No I didn't, You wanted to keep them. So I let you.

I never contacted maws to get them back either

And you got back the characters you let me have

Like I said. You can't fucking pull the "you are giving away stuff I gave u as gifts" when you did the exact fucking thing??

Moving !!! 07/12/2023 9:13 PM

I never fucking

Fucking never mind fine

🌸❖**BUNNY**❖🌸 07/12/2023 9:14 PM

Yes you did! I can easily mention 2 characters you did this for that I got you?m

Eros I purchased for you as a gift after working hard to pay for them! You traded them away. Kiri I had gotten for you! Which you have again put ufo!

You tell me I'm not around enough but I'm around as much as I can be. You get upset with me for being quiet or not talking to you when I'm not talking with really anyone else and am just fucking depressed! You begin to rant or vent about things upsetting you and when I try to point out ways to look at it better you get mad at me for trying to help. You get mad at me for not being

better you get mad at me for trying to help. You get mad at me for not being around or being non talking, when you are also gone for long periods? And when i want to spend 10 fucking bucks to get myself something for fucking once. That's a fucking issue to you?

And when I'm hitting even a little bit of luck or success. You compare yourself to me because I have a bigger voice. Shouldn't me being able to make money be a good thing to you??

You make me constantly feel like I'm some huge piece of shit just because I'm able to have an audience. Like my success doesn't matter in the slightest to you and is just some shitty fucking competition?? Were partners aren't we supposed to be happy when the other is doing good??

Moving !!! 07/12/2023 9:21 PM

Kit it's not about your success it's how you fuckin treat it like I can easily do shit

Or how I feel like you fucking downplay whenever I'm upset

🌸*◆**BUNNY**◆*🌸 07/12/2023 9:23 PM

No I don't. I treat it like you can easily make a new account. I've always said always and always. That growing takes time, success hitting different for everyone. I've always held by that belief. If you work hard, you get what you want in time. If you don't then you don't. I know you've been working hard and people care about your work.

I don't downplay when your upset

I actively listen to when you're upset. The only times I don't are when I'm away or asleep

And I try to offer help when I'm able to think of things.

I try to push things to the lighter side when you or anyone is upset because the best thing to do is to look towards the better side and work towards it. Because always thinking everything's gone to shit and everything's gonna be shit forever is just harmful to yourself

I don't downplay when your upset

I actively listen to when you're upset. The only times I don't are when I'm away or asleep

And I try to offer help when I'm able to think of things.

I try to push things to the lighter side when you or anyone is upset because the best thing to do is to look towards the better side and work towards it. Because always thinking everything's gone to shit and everything's gonna be shit forever is just harmful to yourself

Why are we even fighting? For what? Why does this have to be a fight.

🌸💎BUNNY💎🌸 Eros I purchased for you as a gift after working hard to pay for

Moving !!! 07/12/2023 9:26 PM

You did not get me Kiri. I worked fucking hard to pay 200\$ to purchase Kiri and I got him back by trading away a design I had.

🌸💎BUNNY💎🌸 07/12/2023 9:27 PM

I thought I did but even still? I bought you Eros?

Again why does it matter?? Why is this a fight?

You wanted to break up with me and I said you can. I told you I didn't want to keep you from being happy. But then got upset

Moving !!! 07/12/2023 9:29 PM

I said I wanted to take a break.

🌸💎BUNNY💎🌸 07/12/2023 9:29 PM

Even still,

Why are we fighting

Moving !!! 07/12/2023 9:29 PM

I got upset because when you said "if you wanna break it" it feels like you don't read what I actually say.

Moving !!! 07/12/2023 9:29 PM

I got upset because when you said "if you wanna break it" it feels like you don't read what I actually say.

Because when someone says they feel like you're downplaying their feelings your first response being "I'm not" isn't fucking nice

🌸❖◆**BUNNY**◆❖🌸 07/12/2023 9:29 PM

I did read it. I read it incorrectly Eros I literally have reading issues

Eros if I tell you tell someone it feels like they're doing something. And that person says they aren't,

Moving !!! 07/12/2023 9:31 PM

Kit I literally said the reason I was upset about you giving my designs away is because you talk about how people only care about popular designs

I feel like I'm not exempt of that from you

It's not reading issues you don't fully read what I say.

🌸❖◆**BUNNY**◆❖🌸 07/12/2023 9:32 PM

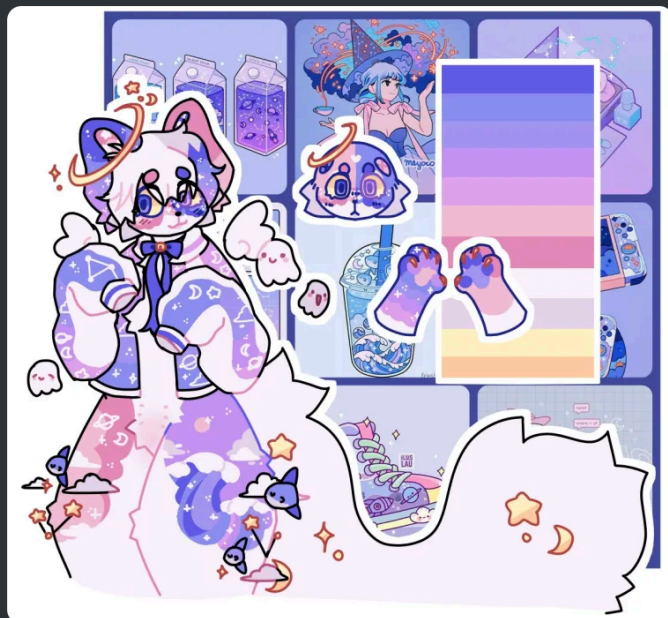

And like I said? I took no more offers after I traded away one

Also again these designs were free, had no monetary value. They were meant to be here. If you ever check my TH, you'll see all the chars she's made to be me (shark, lune, eros) are there as well. Also note how she quiet literally talked about how people only keep pop designers and then proceeded to try and get rid of every single design I made her. Not a full TH, not Sigs stuff, **just my shit**. The times she's mentioned where I got upset she traded chars ? Yea. Fucking co-owns. That I helped pay for. She sold them repeatedly without talkin to me, like Velvet. I got nothing out of it and even then I didn't get mad. I brought it up. She's done this RECENTLY.

Moving !!! 10/28/2023 7:48 PM

Hey, sorry for the dm but I noticed you had this character in your possession and I was wondering if it was traded to you ? ^^

Nvm !!

If they ever go back ufs can you please lmk ?? I was technically co ownin em with Kit but I think she forgot, and I don't wanna have her refund or anythin (edited)

Is it cause of that or because you don't feel like talking to me

WULF 06/25/2023 9:55 PM

I want you to talk to me

I also only brought up being upset with her to you

I didn't fuckin tell you we were arguing cause she's the one who told you I was "yelling" at her

She didn't deescalate shit she fucking kept saying "I don't down play your emotions" which is literally downplaying my fucking emotions

And then just said "why is this a fight" and ignores what i fucking said

So if she doesn't wanna actually fucking work on it I'm done. I'm tired of needing to beg to k is what the fuck is happening or getting updated like I'm one of her fuckin audience members via social media.

Standing in the bg

Between this time is just the last fight. I'll give you the basic run-down timeline of events.
She hadn't talked to me all day. I had sent dms and shit, got 0 responses at all.

- I think "ok she's busy"

- I post something on twt about pup masks being ok ?? (I said bitch suits as well but I confused bitch suits with quad suits)
- *Then* I get a dm from dae going “hey me and konnie wanted to talk to you about somethin, it’s nothing bad !!”
- I said ok, get put in a gc, think maybe they’re asking to date each other or somethin else ??
- proceed to get put on blast by mostly Konnie telling me that pup masks are sexual and inappropriate around kids and me posting that was concerning
- dae says maybe two things, one of which is correcting me in what a bitch shit is.
- konnie argues with me to the point where I am evidently upset and panicked and leave the gc
- dae dms me knowing I’m upset
- I don’t get any other dms from konnie after that. She doesn’t say shit.
- dae jokes about asking konnie out, I can’t tell it’s a joke, I ask not to talk about konnie for that day. This is how I handle my shit. I step back and distract before going back in to discuss something. This is something my therapist has told me to do
- tell konnie how I feel
- she immediately responds with how *she feels*. Does not acknowledge anything I have said. Says that she wasn’t arguing she was “defending her opinion”
- I end the relationship, I said it’s a bullshit relationship and it’s over

Here’s the full convo. Mind you 0 dms from here, I stepped fully away from her and tried tuning out the situation so I could think which as you’ve seen I’ve told her.

Moving !!! 12/06/2023 12:44 AM

We need to talk

🌸❖**BUNNY**❖🌸 12/06/2023 12:46 AM

Hmm?

Moving !!! 12/06/2023 12:52 AM

I'm upset with you. I'm upset that I feel like you haven't been talking with me. I'm upset because I kept telling myself that you were too tired and you've been working, and I kept telling myself that until today you sat in a fuckin gc with me with dae to tell me off for something I said. Because you had enough energy to talk about what I said with day, and argue with me, but don't seem to have enough to dm me. I'm upset because I feel like you don't want to talk to me, or be around me all that often unless it's to rp which is fine but I need to know that. Sometimes I feel like I'm the only person in this relationship, like I have to say I love you and you say it back because I've said it.

🌸❖**BUNNY**❖🌸 12/06/2023 12:55 AM

I'm upset because every time I have a different opinion you pick favorites. You went to have an "offline for the rest of the day" kind of situation but that just meant not talking to me. Including you telling dae not to talk about you despite him agreeing with everything I said. I'd just woken up when the gc was being made so of course that'd be the first thing going on. And then you chose it was time to not talk to me or want to hear about me. I'm unhappy because I feel like even when I am here, you don't listen. I was expressing my concerns earlier and all you tried to do was fight me. But when Dae expressed that same concern he got a positive reaction. Yet me expressing my concerns and you fighting me on it was just fucking awful.

Normal partners don't just go off and ignore their significant other just because they have

Normal partners don't just go off and ignore their significant other just because they have a different opinion. Normal partners don't tell their other partner not to talk about their partner just for having a different opinion despite dae agreeing fully with me in that talk. Partners shouldn't make the other feel pressured to think a certain way just because the other is gonna treat them like shit after if they don't. Partners don't try to leverage their friends opinions to try and away their partners opinion. That was incredibly inappropriate to bring up our friend mid convo just because they agree with you on the matter. Dae didn't make the gc to argue with you. It was made to express concerns and to try and see what you meant. It was made for us to express concerns because you were defending the nsfw suit without understanding what it was. And you didn't listen to me at all when I was explaining it you only changed your mind when dae said the same thing

Moving !!! 12/06/2023 12:59 AM

You didn't say the same thing and I didn't change my mind.

I said I confused quad suits with bitch suits

And I told dae off the same way I told you as well.

I said I was going offline because my issue is less the fucking opinion and more the fact the first thing you say to me is arguing

You agreed to a group chat to argue

🌸❖💎B U N N Y❖🌸 12/06/2023 1:01 AM

🌸❖💎B U N N Y❖🌸 12/06/2023 1:01 AM

I didn't want to do a gc, because I was just waking up. Dae made it when we were talking because we saw you defending bitch suits

And we wanted to both ask what was up

We didn't make it to fight. At all.

🌸❖**BUNNY**❖🌸 12/06/2023 1:01 AM

I'm done with whatever fuckin bullshit this whole

You didn't just express the bitch suits

You expressed the pup masks.

You expressed that more than the bitchsuigs

I didn't snap at dae because he barely said shit

And he didn't make me feel like I was ok'ing being sexual around children.

I asked dae not to talk about you because I don't need to hear how he's trying to hit it off with someone who is barely fucking **talking** to me.

But thanks for letting me know, I'm glad I'm a hot topic between you two.

Glad to know I can fucking trust no one with anything I say ever

❀❀◆BUNNY◆❀❀

12/06/2023 1:10 AM

And that's fine, if you cannot have a conversation like an adult and act like an adult without assuming shit then that's fine. Were done and I'm glad we are. All you've done these past 3 years is repeatedly abuse me time and time again and I'm genuinely sick of it. If you want to act like a victim like you always do and try to turn this around me me like you do every single time that's fine but I'm not going to listen to it. You're genuinely a piece of shit and and you always cry victim every time you abuse me. You abused dae last time and I'm not sticking around for you to do that again. You're genuinely such a dick it's not even funny. Considering you think in your little head you're a fucking victim despite having

Threatened to cheat on me

Told your own partner not to talk about me

Gaslight me when I tried to set a boundary about you not including dae in our relationship shit before you two were together

Intentionally calling me the name I told you not to, to make me shut up.

All you do is gaslight me, abuse me and lie and every single time you do anything wrong somehow I'm always the one forced to apologize. I'm done, I've been considering this for well over a year, go find someone else to abuse. But it's not going to be me.

And yea. After that I was removed from all servers. I was told by Dae this was gonna be private. And if you're wondering, Dae said that no I wasn't abusive. Didn't even ask. Was told this.

baby, me not dming you about things happen is mostly just me speaking to whoever im texting at the moment,
if im having a little moment, iill either keep it to myself, or vent or rant to whoever im texting at the moment,
its not that i dont want to tell you things, since id tell you anything ever if you asked for anything you wanted to know
i just tend to vent or rant out in a suddenly gush, i dont want to put it on you because youre dealing with your own stuff sometimes, and other times i just dont have the energy to always wanna vet since rp always distracts my brain and talking to you normally calms me down anyways so whenever im feeling bad and i talk to you, i dont end up venting since you calm me

I think I've been really hormonal lately because I've been going off at people more lately irl too. And more prone to crying which doesn't

🌸❖**BUNNY**❖🌸 01/14/2023 12:49 AM

I dunno, I just- you know I'm an anxious idiot. I'm mostly quiet and collected but I get worked up easily. I've been getting more and more upset lately but it's not your fault. I think I've been really hormonal lately because I've been going off at people more lately irl too. And more prone to crying which doesn't happen a lot. I've been getting more worried just do to little things I end up over thinking. I assume people don't wanna talk to me if they suddenly are quiet or aren't talking to me but active with others. I assume it the worst when I see you go quiet on me when I don't know you're having a moment because I love you and don't wanna lose you.

Moving !!! 01/14/2023 12:49 AM

And also because he usually is the one talking

🌸❖**BUNNY**❖🌸 01/14/2023 12:49 AM

Yeah he does talk

A lot

Moving !!! 01/14/2023 12:50 AM

I know you're anxious baby

🌸❖**BUNNY**❖🌸 01/14/2023 12:50 AM

But you also never tell me about stuff you like much or at all but always seem to be having fun with him

Moving !!! 01/14/2023 12:50 AM

But again

Baby

I talk about dc with him

And even then it's me knowing little to nothing and asking him shit

You know who the first person I came to

And then later on in the day. This has nothing to do with communication but the fact that she even says she doesn't remember the stuff I asked her to work on. Like.

Moving !!! 01/14/2023 8:35 PM

I just kinda realized this isn't the first time someone's snapped at me
Because they're being over protective or somethin over you
And I feel like I'm the only one this happens to
Idk if makes me feel like people don't see me as a person or somethin

🌸❖**B U N N Y**❖🌸 01/14/2023 8:36 PM

Well I'm over dramatic and don't think before I type so it causes issues
I see you

Moving !!! 01/14/2023 8:36 PM

🌸❖**BUNNY**❖🌸 01/14/2023 8:39 PM

I mean I feel like

Mm

Tryna find the words

I feel like nothings really changed since the break up and since just before the break up, and for a bit before even then

N that you're just kinda not

Talkin to me. I more or less feel like even when you have the time to talk to me you're not really n it makes me feel really distanced

I feel like I'm not actually apart of your life

🌸*◆BUNNY◆*🌸 06/19/2023 11:52 PM

often times youre away yourself i feel or youre just kinda doing your own stuff bug so its kinda hard for me to do anything with you when you are doing your own little stuffs. youve been having your moments lately where you go off to play games and what not,

i havent been talking much to anyone lately though as ive just been hyper busy with my job, as well as commissions

my phone doesnt send me direct messages sometimes anymore about notifis, so i often miss them

and ive been sleeping in a lot more lately due to my depression issues

other than that though, im around pretty much all day,

its not like you did anything wrong or what not, same with sig, dae, or anyone else i talk to, its just i myself have been a bit distant because ive just been very very tired and over worked

Moving !!! 06/19/2023 11:55 PM

Could you please start telling me when it's just that then

I start getting paranoid a lot when you just kinda go quiet but I see u posting a lot and I get just being tired and overworked but I'd at least like to know it's that without feeling like I have to poke for it

Moving !!! 06/19/2023 11:55 PM

Moving !!! 10/14/2023 12:40 AM

I know

Mk gimme a sec to type

I know you and dae had a talk earlier. I know what was discussed, and I kinda wanna talk about some stuff cause of that

Something I've been noticing is you don't seem to realize how gone you kinda are a lot of the time and how little you tell anyone what's happening or why

And I'm not saying be here more often because I talked to sig about it to see if he noticed anything

And he told me that you're busy and you've been working more

🌸❖**BUNNY**❖🌸 10/14/2023 12:43 AM

Oh I know for sure he noticed he texted me a bit ago

Moving !!! 10/14/2023 12:43 AM

He did

You kinda haven't been talkin to me a lot though

Or give short responses

And I kinda would just like a heads up next time if you get a larger work load because I know we've talked about this and talked about you tellin me stuff but I don't feel like you actually do tell me anythin

🌸❖**BUNNY**❖🌸 10/14/2023 12:44 AM

Ohhh

Like uh

Wanting a heads up from me if im gonna be away for bit because of work

Moving !!! 10/14/2023 12:44 AM

Yea

Then as you saw above the screenshot to dae, i showed hym where I begged Konnie to talk to me again.

I'm including less screenshots just cause I'm exhausted rn.

You know what a big part of communication is ?? Telling your partner when they're about to have an episode when they aren't noticing. As you saw with the meds thing but also now! Wow Dae, you're guilty of this too !!

፻፩፫ Daemon ፫፬ 11/24/2023 3:37 PM

yeah def since me n konnie both notice youve been splitting a lot

@Moving !!! I think that's what set off the split

፻፩፫ Daemon ፫፬ 11/24/2023 5:57 PM

ypuve been showing signs for a few days so we were expecting it you seemed rewilly off

Neither of them told me.

Using her for money:

This is just a blatant lie. I have so many cases where I was giving Konnie money and refused money she wanted to give me. I genuinely never take money, I feel bad for it.

How's this
We always have \$400 on the side for the both of us in case of an emergency.
Like if you need to buy food for yourself or gas or if I end up needing to pay for medication
So we always have some money and neither of us gotta worry for each other so often
Ok?

Yea

And tthen

Theres other instances where this happened or points where I would vent about things not relating to her and she would say "But oh its my fault" and then take- 0 blame for the same stuff later.

My “cheating” and denying my sexual assault:

I have willingly kissed one person in my life in a romantic sense. I have even told Dae this.

Nowhere did I mention hy couldn't tell konnie, nor did they ask and honestly idfc if they did.

In 2021, I was sexually assaulted by a close friend. I was tired and distressed, with both my partners at the time away. I took Benadryl, which makes it hard for me to think or even stay awake, and walked to said friend's house. After the events of everything, I went home and told Sig and decided that it had to be my fault. That I had to have done something that made this happen. The reason I was so freaked the fuck out when Dae dm'ed me about it was because that made my assault public. Something I was still trying to process and was not ready to face right on top of everything that happened. Because Sig made it public, this is the convo I had with them.

Moving !!! 09/18/2021 8:11 PM

I kissed my friend ;; and I don't know why and I don't mean anything behind it because I don't like her like that

SIGIL 09/18/2021 8:13 PM

Listen, you don't need to know why but its good to talk through it, did it feel platonic and automatic? since you wanted to show some affection honey

Moving !!! 09/18/2021 8:13 PM

SIGIL 09/18/2021 8:13 PM

SIGIL 09/18/2021 9:06 PM

Moving !!! 09/18/2021 9:06 PM

SIGIL 09/18/2021 9:12 PM

Ik now might not be the best for you two

if she's out and you're still a bit stressed

go look after yourself and when the time is right , or if you want me there with you we can all talk together 🧡

now for kissies

I wonder how many kissies makes up a gigantic smoocher

I didn't tell Konnie about it because I didn't want to think about it. It has never been brought up till this point when it could be used against me. They did not know it was assault. However, that did not stop Konnie from saying it was fake.

konnie sent her msg ill spoiler it for you but this is her last thign for you

"The fact that you are more concerned with the fact that people think you're a cheater, and you think that's worse then them thinking you're an abuser is fucking so immature and pathetic.

You did cheat twice. You're claiming the first was assault AFTER you're getting in trouble for it. But in Sigs dms it paints a different picture.

And then when we were on a tiny break, you full chest go and kiss and cuddle some loser guy. Which tells me if you are that willing and pathetic to kiss some guy as soon as we split. It's just embarrassing.

Other general shitty stuff she added in adding to:

Heres a link with most of the major screenshots: <https://sta.sh/22429unftgf0?edit=1>

She apparently told people I was asking to go on opioids which- no. I said pain killers, I was thinking 800mg acetaminophen because you can only get that via a prescription and I go through the 500 mg very fast.

I have body dysmorphia and struggle with binge eating, which results in my weight fluctuating. **I have only ever drawn my sonas based off my goddamn nudes, after tracing said nudes.**

Not only announcing my fucking relapse to people, but saying I did it to make you upset when you didn't reply is beyond shitty. Especially when I asked you and said it was ok if you didn't reply.

to like 10 dms

Moving !!! 02/06/2023 10:01 PM

Ok ;;; n that's oki love again I wanted to make sure

I get worried I mess up

I did not care if she didn't reply, I usually didn't like dwelling on it anyway.

Something I'll add in later but Konnie repeatedly just seemed to forget Sig existed or she would complain about Sig being jealous in my dms. While dating Sig. She would say stuff like "I want only you and just you" and I had to fuckin add "and Sig".

Ending notes:

I am so, very tired. This is nearly 200 pages and doesn't even fully contain everything. I don't have access to servers to grab stuff, and I don't remember exact conversations to find stuff. I don't want ?? Any of the people who cut me off to contact me. I don't really want to worry about it. I don't care if you interact with her or dae or whoever, its not my business. This doc is mainly for me. It's mainly to vent my frustrations. My hurt. But most of all so I don't cry over things not worth cryin over. I'm gonna go public 'n sit in my lil corner and enjoy my friends. Happy New Year. Here's to many more.
