# Literacy Studies Quarter 1 Self-Reflection and Grades

Proficiency level	Descriptor	Explanation
4	Exceeds expectations or Exemplary	I deeply understand this concept and can teach it to others. My understanding is sophisticated, profound, and I am well above the expected level of knowledge.
3	Fully Proficient, meets expectations	I have a good understanding and can show my full understanding by myself. I make few or no mistakes when I work with this.
2	Partial mastery/ still progressing	I mostly understand the concept and only need help sometimes. Some things come easy and others are hard.
1	Minimal understanding/ effort shown	I need help often and am just beginning to understand the concept and what I need to do.
IE	Insufficient Evidence	The assessment was not completed or turned in, or there was not enough evidence available for the teacher to determine a score.

Please write which score you should get for each of these standards

Standard	Your grade	What do you need to work on?
1: Figure out and analyze a text to discover its theme and deeper meaning. Opinion piece and theme of picture book.		
4. Finding evidence in a text and linking it to your main idea in your analysis.		
6: Using proper grammar, conventions and spelling words correctly.
