Landscape Maintenance is the care Green Castle Lawn Care and Pest Control provides your yard. It means we look after the quality of your turf and soil, which includes fertilizing, controlling weeds, as well as disease and pest management. Our goal is to always provide you with a lush, green lawn that improves the value of your property. Landscape maintenance is an art, and we keep your yard vigorous, fresh, and beautiful. We use the right tools, and we have the knowledge and experience to make you happy. We emphasize residential and commercial landscape maintenance in the Ogden UT area. We are licensed and insured, with over 20 years of experience. We believe in being honest and hardworking and charging fair prices. Aeration, fertilization, and grass mowing are specialties.

Landscape maintenance in Ogden UT depends on the season. Here are some of the things Green Castle Lawn Care and Pest Control can do for you. In the spring, we apply fertilizer and take a look at dead patches. Later on, we apply a preemergent herbicide to keep the crabgrass away. Then if you wish, we can add mulch around trees and shrubs. We can also prune your trees and get rid of dead branches. We offer lawn mowing services during the summer, and we administer treatments during the summer to reduce stress.

Additionally, we can treat for grubs and other lawn pests. In the early fall, we include a fall fertilizer, and later on, we treat your yard for winter. If you need help with the leaves, let us know. We also aerate and overseed. And during the winter, we offer snow removal services. Some of the towns we service in Utah, besides Ogden, include Bountiful, Farmington, Farr West, Harrisville, Layton, Riverdale, Marriott-Slaterville, North Ogden, Pleasant View, West Weber, West Haven, Roy, South Ogden, and South Weber.
