

Remote Working Experiment Daily Diary

Date:

Where did you work from today?

From the beginning to the end, describe your day (*include what time it started/ended, breaks you took for non-work stuff, how you were feeling, things you did, etc.*)

What challenges did you encounter? (*Anything goes e.g. physical space, internet, team communication, etc., etc.*)

What were the highlights of your day?

Anything else you want to say?
