 The image shows the front cover of the book "Det är vi som är klimatet" by Jonathan Safran Foer. The cover is white with a pattern of grey dots of varying sizes. At the top, there is a small graphic of a blue and white molecular or network structure. The title "DET ÄR VI SOM ÄR KLIMATET" is printed in large, bold, black capital letters. Below the title, the subtitle "HUR MAN RÄDDAR VÄRLDEN" is in smaller black capital letters. The author's name "JONATHAN SAFRAN FOER" is in large, bold, black capital letters. At the bottom, it says "FÖRFATTAREN TILL ÄTA DJUR" in smaller black capital letters. The book is standing upright on a white surface.
