

Privacy Policy

RESQME respects and values the privacy of its users. This Privacy Policy outlines how RESQME collects, uses, maintains, and discloses information collected from users of the RESQME application.

Information Collection and Use

RESQME may collect the following information:

Camera Access: RESQME may request access to your device's camera to enable features such as capturing photos or videos. This access is solely used for the intended functionality of the application and is not shared with third parties.

Location Access: RESQME may request access to your device's location to enable features such as capturing your location for better handling the situation.

Usage Data: RESQME may collect information about how you interact with the application, including the frequency and duration of your usage, the features you access, and any errors encountered. This data is used for analytics purposes to improve the user experience.

Security

RESQME prioritizes the security of your personal information and employs appropriate measures to safeguard it against unauthorized access, alteration, disclosure, or destruction. However, please be aware that no method of transmission over the internet or electronic storage is 100% secure, and RESQME cannot guarantee absolute security.
