

Unfortunately, due to the ongoing repairs required following the flooding experienced by Victoria School back in September Christmas is looking a little different. So sadly, no **SANTA SPECIAL** this year (but we aim to be back better than ever next year).

However here at Friends of Victoria School we still want the children to enjoy the Christmas season.

So we are:

- Still holding the Christmas Market shopping experience.
- We are setting up a mini version of our usual Grotto in a different space
- We are continuing to support the school Christmas lunch with extras like Crackers and chocolates.
- We are buying each class up to £50 worth of resources as a Christmas Present.

I am sure the children will all enjoy Christmas period at Victoria even though it will be a little different.

We will be back in 2025. HAPPY CHRISTMAS

Thank you all for your support this year. Friends of Victoria School
