

Attention AC/GC Students and Community! The National Honor Society is extending its supply drive for Lutheran Services in Iowa, an organization that helps families who foster and care for children. LSI is especially in need of diapers, wipes, winter coats, gender neutral baby and little kids' clothes, basic toiletries and clothing for teens, (please ensure items are clean and not too dated), gently used backpacks, and carry-on type suitcases, Twin size bedding, cuddly blankets, and just general comfort items. Gift cards for gas and groceries are extremely useful as well. Please bring your items to your Advisor's room. The winning group will receive a breakfast pizza and donut party the following week!
