

Richfield Girls Swimming Lettering Policy (2019)

Swimmers need to score 30 varsity points to letter.

Relays are scored depending on the number of lanes...

6 lanes or more: 8 - 4 - 2

5 lanes or less: 6 - 3 - 1

Swimmers will receive half points for relays. (Eg. 1st place in a relay in a 6 lane pool = 4 letter points for each swimmer in the relay).

Individual events are scored depending on the number of lanes...

6 lanes or more: 6-4-3-2-1

5 lanes or less: 4-3-1

In invitationals, swimmers will be given half value for individual events and one-quarter value for relays (eg. a swimmer wins an event which is 16 points; the swimmer receives 8 letter points). A relay team wins an event which is 32 points; each swimmer receives 8 letter points. No letter points will be awarded at scrimmages or Section meet.

Sectional championships. Anyone who makes the finals in an individual event will automatically letter (top 16).

Each swimmer will start the season with 8 letter points. However, for each practice missed, excused or unexcused, 1 point will be deducted. This does not include weekday early morning practices, as they are optional Example: A swimmer earns 25 letter points in meets during the season but has missed 4 afternoon practices and a Saturday morning (5 total missed). At the end of the season, the 8 free points are added, bringing the total to 33. But then 5 points are deducted for the missed practices, bringing the total to 28... No letter.
