

Shannon O'Hara and Katarina Wallentin – The Art of Touch

Imagine if you could change someone's whole world with one hug?

Or have yours changed by the soft touch of someone's hand?

Imagine if you could have total ease with every kind of touch that crosses your path, the good, the bad and the ugly? And what if the intimate and sexual touch could be one of the greatest guides to consciousness there is, if explored with no judgement?

DESCRIPTION:

Somewhere, somehow, the art of touch has been lost.

This training is the beginning of rediscovering and reclaiming the potent wonders that touch can be for you in the creation of your life and world!
