D. MISSION STATEMENT- ***Mrs. Brandy Titus, President***

Mission Statement
The mission of the Berlin Community School, in an active partnership between school and community, is to provide effective and comprehensive educational opportunities in a nurturing environment designed to challenge all students to strive for personal excellence and responsible citizenship. This will foster the pursuit of lifelong learning while achieving proficiency in the New Jersey Student Learning Standards and meet the challenges of an evolving global society.

E. STATEMENT TO THE PUBLIC

Oftentimes it appears to the members of our audience that the Board of Education takes action with very little comment, and in many cases a unanimous vote. Before a matter is placed on an agenda for a public meeting, the administration has thoroughly reviewed the matter with the Superintendent of Schools. If the Superintendent of Schools is satisfied that the matter is ready to be presented to the Board of Education, it is then referred to the appropriate Board Committee. The members of the Board Committee work with the administration and Superintendent to ensure that the members fully understand this matter. When the committee is satisfied with the matter, it is presented to the Board of Education for discussion before any final action is taken. Only then, it is placed on the agenda for action at the public meeting.

The Board of Education has discussed subjects in closed session which will be disclosed to the public when action is taken by the Board, if any, or at a Public Session at some later date.

The Board President requests that all cell phones be turned off or placed on vibrate during the Board Meeting – Thank you.

Minutes, Policies, and Attachments are available at the school district website, bcsberlin.org

Fire exits are located in the rear of the room.

The public is reminded that they should attempt to resolve problems and/or complaints through initial contact with the appropriate administrator or staff member.

Such matters should only be brought to the Board after all avenues within the chain of command have been exhausted.

F. CODE OF ETHICS STATEMENT

In keeping with Berlin Borough School District Policy #0142 and N.J.S.A. Title 18A:12-24.1 members of this Board will:

1. Uphold and enforce all laws, rules, and regulations of the State Board of Education, and court orders pertaining to schools. Desired changes shall be brought about only through legal and ethical procedures.

2. Make decisions in terms of the educational welfare of children and will seek to develop and maintain public schools that meet the individual needs of all children regardless of their ability, race, creed, sex, or social standing.

3. Confine my Board action to policy making, planning, and appraisal, and I will help to frame policies and plans only after the Board has consulted those who will be affected by them.

4. Carry out my responsibility, not to administer the schools, but, together with my fellow Board members, to see that they are well run.

5. Recognize that authority rests with the Board of Education and will make no personal promises nor take any private action that may compromise the Board.

6. Refuse to surrender my independent judgment to special interest or partisan political groups or to use the schools for personal gain or for the gain of friends.

7. Hold confidential all matters pertaining to the schools which, if disclosed, would needlessly injure individuals or the schools. In all other matters, I will provide accurate information and, in concert with my fellow Board members, interpret to the staff the aspirations of the community for its schools.

8. Vote to appoint the best-qualified personnel available after consideration of the recommendations of the Chief Administrative Officer.

9. Support and protect school personnel in the proper performance of their duties.

10. Refer all complaints to the Chief Administrative Officer and will act on the complaints at public meetings only after the failure of an administrative solution.
