

Notice of our Annual General Meeting
Ashford Carbonell Village Hall and Recreation Ground

Dear Members,

With less than 3 months to go...

Important – A notice of our Annual General Meeting

This year's Ashford Carbonell Village Hall Annual General Meeting will be held **Wednesday 21st October** at 7.00pm. Refreshments will follow. We look forward to welcoming both, new and experienced members. Amongst other reports, the Social Spaces Working Group would like to present their findings so do please save the date and share it with friends. Your support is always valued.

Amongst other things, members will be asked to elect Trustees and provide member feedback. I will send the agenda and any other supporting information nearer the time.
