Sport is a part of our life. It helps people to keep fit, to be healthy and strong. A lot of people swim, play sports games, ski or skate for pleasure. It is a wonderful way of pastime. People become more organized doing sports. I think that sport is a good way to meet people and to make friends for boys and girls.

2. Different kinds of sports.

There are different kinds of sports to do. The most popular **outdoor** winter sports are hockey, skating, skiing and snowboarding. People can do these sports in the countries where the weather is frosty and snowy. In summer, people play different sport games: football, tennis, cricket, volleyball, basketball and others. It's a great time for swimming, boating and cycling. All the year round, many people do boxing, table tennis and gymnastics. They visit fitness clubs and gyms and train there.
