

The BEAR Necessities

8/19/24

Good morning, Golden Bears!

Today is Monday, August 19th, 2024.

We need four more students for the SMS Spell Bowl Team. See Mr. Anspaugh in the library or Mr. Moore in room 409 for more information.

The middle school robotics team is looking for 20 highly competitive students that want to join the robotics team. Due to the limited number of spots on the team, all students interested in joining will need to pick up an application from either Mr. Lockridge or Mr. Wethington in the 900 hallway. All applications are due no later than August 27th.

Please give Mr. Anspaugh a few days to look over applications and videos for BearTV. He will announce on BearTV when live auditions will be.

If you are a mentee or mentor in the mentoring program, all paperwork is due back to Mrs. Beyer by Thursday, August 22nd.

Events:

Boys soccer has a home game today at 5:30.

Girls soccer has an away game today at 5:30.

Lunch Today:

Build your own Mac n' Cheese or Cheeseburger

Pizza and Nacho bar

Grab and Go sandwiches and salads

Have a great day and GO BEARS!
