

Hello Parents!

One of our core values here at Center Pointe is thriving families and we know summer weekends can fill up quickly with vacations, Kings Island trips, family visits, sport tournaments and travel. So to best support this value we are going to make a shift to Wednesday Night Student Services for the summer!

This shift to Wednesday Nights **will only be for the summer** beginning on Wednesday, May 27 and our final Wednesday before shifting back to Sundays will be on Wednesday, August 12. We've included the full summer CPSM schedule below! Wednesday Night services will run from 7-8:30PM.

We are so excited and expectant for God to move in a huge way this summer and we can't wait for your student to be part of it! We are excited for this new summer Wednesday Night rhythm to have multiple touch points for your student during the week both on Sunday Morning at regular service and then Wednesday Night for student service!

Please feel free to reach out to me with any questions you may have!

Thanks!

Riley Plyler
Student Pastor
