

How do I submit a Keynote file using Google Chrome on an iPad?

Submitting your File

After you've signed into your IDLA portal and opened the class's assignment in Google Chrome

1. Click **Submit Assignment**.
2. Select the **File** icon:

3. Select **Choose Files**.
4. Find the file you wish to submit.

5. Click **Open** in the upper right corner.
6. Allow your file to upload. Add a comment if you wish
7. Click **Submit**.

As always, for more support email tech support using the content information above.
