

Blue & Gold Circle

Oregon FFA's Annual Giving Program

With your support, we will grow the next generation of leaders.

Gifts to the Oregon FFA Foundation help to ensure that more than 15,000 FFA members have continued opportunities that develop their potential for premier leadership, personal growth and career success through agricultural education.

Every single gift, no matter the size, helps to sustain and grow the mission and programs that Oregon FFA provides.

We are proud to offer the following benefits to our annual donors.
