Okay, this is an **experiment**.

Friday (next time) we're going to try something. Yes, we're going to watch Sol's short film. Yes, it's Callen's last day (she's graduating early). Yes, we're going to order pizza. But we're going to **make stuff** and we're going to give ourselves a **30-minute deadline**.

Then we're going to **share** our work with each other. We're going to watch the short films. We're going to print out the short pieces of writing and tape them on the wall. We're going to hang up the paintings. And then we're going to walk around the room and appreciate each other's creations.

You need to **bring things** to class on Friday to make this work. Please sign up below.

| **Name** | **What Can You Bring on Friday? (laptop, typewriter, paints, watercolors, paintbrushes, canvas or cardboard boxes, money for pizza, drinks, etc.)** | **Anything else you'd like to say?** |
