

# SolarBunBun's Terms Of Service

I reserve the right to refuse service and cancel any commission made with me if applicable due to...

+ Any sort of "extreme" or "Unsettling" topic/subject matter, including, but not limited to...

- Subjects that are considered "Gross" (i.e. Scat, Watersports, Guro, etc.)  
~ You may be into this sort of thing, and that's fine, but I'm not interested in writing about these kinds of subjects.
- Subjects considered to be illegal (For example: anything involving sexual exploitation of a child/minor). This list is non-exhaustive, so please keep this in mind.  
~ i.e. no Doxxing or releasing personal information or anything of the sort.

+ Any sort of harassment against me or my customers, including, but not limited to...

- Rudeness
  - Inquiry regarding NFT's, Blockchain-based items or products, AI work/using my work to train such datasets
  - Harassment of myself or my other customers of any kind
  - Disrespectful conduct
  - Content found to be disrespectful to a specific group/race/gender
  - Violations of, or refusal to acknowledge/read my terms of service.
- + Commissioning of a NSFW piece by/for a minor.
- If you wish to have a NSFW piece done, you must be 18 years of age or older.  
~ If you are not, you will not get a NSFW piece, and you will be blacklisted from commissioning me, period. End of discussion.

+ Intending to use my work to develop or train AI or AI models.

- Given the rise in use for AI models and creation programs (ChatGPT, JourneyAI, etc.), I do not want my work to be put through some machine, deconstructed, and put back together as something it is not. My work is my own, and you may not use it for anything else.

⇒ I go on a Case-By-Case basis as to what constitutes "Extreme" or "Unsettling".  
If you're not sure, then the best thing for you to do is ask.

⇒ I use PayPal and Ko-Fi for payments. It helps keep things simple.

By commissioning me, you as the client are agreeing to have the work I make be used as part of my portfolio, and will be kept for my records and portfolio, regardless if the actual commission has been completed or not. If a commission has been canceled, I will keep the work for my own portfolio, and will post it as I see fit, no "if"s, "and"s, or "but"s.

**If you've read this, then you may go on  
to the next page for price rates.**

Otherwise, **go back and read my TOS.**

## Prices for Written Works

If you do not wish to incur the Watcher Fee (Listed below), it is assumed that you will get up to **TWO** (2) screenshots of your piece in-progress at any time while I am currently writing, prior to completion - any more requests than that will incur the Watcher Fee.

For the screenshot, I will show what is currently on my screen that I can take with a screenshot (taking multiple screenshots that go to earlier parts of the story tends to get confusing).

**I prefer for payment to be at the end of my work.**

### One-Shot Stories

These are written pieces that are self-contained, and have no other connections to another story. Something you'd actually spend time reading at-length!

I prefer to work without a word count to help with quality, but I am willing to work with one if you are on a budget.

<u>Base Price</u>	<u>Word Count</u>	<u>NSFW/Fetish Fee</u>	<u>Watcher Fee*</u>
\$7 Flat Rate (one time)	\$0.05 per word	\$2 Flat Rate (one time)	\$1.00 per 100 words**

\*I use Google Docs as my main workstation, so I'm able to share my work with customers via a link. If you want to watch me write, or you want more than 2 screenshots of your story, you're free to incur this fee. The "triggering point" for this fee to take place in a story is usually rounding up to the nearest 100 words for the word count.

\*\* This fee is waived if the story is presented as an In-Stream Commission.

### Late Fees

If, for whatever reason, you are unable to pay an invoice at the time it is due, or on a specified date organized prior to being sent the invoice due to some form of unforeseen circumstance, or you otherwise miss the due date as shown on an invoice, I reserve the right to add a fee **worth 10% of the price for the story** to the final total due.

This is assuming that I have not been alerted to any circumstances prior to this - if you explain yourself, most likely I will understand and change things accordingly.

## Caption Commissions (\$20/Caption)

These are written pieces that go along with an art piece! While not showing an entire story, they *do* give context to what's being showed in the art. Captions are *not* meant to be long (around 200-250 words or so). These have a (relatively) quick turn-around time compared to my regular stories!

The price for these commissions starts at **\$20 per image** you'd like captioned! I try to work with images in a way that the story that goes along with it fits comfortably - either to the side of the image, or along the bottom (if the image is particularly wide).

Typically, these are "Artistic Freedom" sort of things, but I can work with a general guideline as well!

Please make sure you let me know who created an art piece so I can credit them for their work in the first place. The art you want me to use MUST be owned/commissioned by you. Period.

## Script-Writing Commissions [WIP, CLOSED]

These are things that are meant to be scripts and lines of dialogue and blocking that other artists are able to use for larger-scale works, like comics or animations or the like.

Typically for scripts, they are works with "lots of white space" for what they are, so multiple pages worth of text tends to add up in large numbers if they go on for long enough - for example, a typical screenplay/movie script is around 90-120 pages long. (These can go *much* shorter, if need be.)

Prices can vary wildly for something like this - DM me for a quote and so we can discuss what you'd like! **Prices Not Final!**

## **How I Post Things**

When I am done with my work, I will send you a .pdf file and .txt file alongside the invoice, and I will try to post my work as soon as I can on my various sites - FA, BlueSky, Itaku, etc. If I make a mistake, don't be afraid to let me know! I'll try my best to make things right as I can.
