

Privacy Policy for Hort Ballistic

1. **Data Collection:** This application collects the unique **Garmin Device ID** solely for the purpose of managing the 7-day trial period and generating an activation code.
2. **Personal Information:** We do NOT collect names, emails (unless you contact us via email), locations, or any health-related data.
3. **Data Usage:** The Device ID is stored securely and is never shared with third parties. It is used only to verify your license status.
4. **Third-Party Services:** We do not use any tracking or analytics tools within the app.
5. **Contact:** For any questions regarding your data, contact sapianyi@gmail.com.
