

Jeunesse Instantly Ageless

Learn more about Jeunesse Global

Unlike many other multi level marketing companies, Jeunesse Global was floated by a couple - Randy Ray and Wendy Lewis. Both of them have over 16 years experience of success in the multilevel marketing industry. In addition, they both owned individual companies too. However, the big one is that Randy Ray won for two consecutive times the "Businessman Award of the Year" in the State of Florida in 2003 and 2004. If you ask me I think this profile is solid. With their experience and expertise, they should be able to keep Jeunesse above drowning level for as long as they want.

Jeunesse Global does front nutritional and anti-aging skincare products. These brands of products are the in-thing of our society. People will always need them to keep up their health and confidence. Among the category of anti-aging is their Cellular Rejuvenation Serum. Users find this product highly effective. It has a natural wrinkle-filler that would keep the healthy characteristics of the skin. They also have a daily moisturizer that is fashioned to provide same level of anti-aging and anti-wrinkle results for both sexes. In addition to these two, the third product is called 'Reserve'. 'Reserve' is an anti-oxidant formulated to delay the process of anti-aging.

Once you join the company will provide you with a Jeunesse Global website. From there you can buy their products and sell same to teeming customers. Their compensation plan is just like any other MLM company. You get bonuses when you purchase their products or recruit down-liners. You can also increase your stream of income by teaching your down-liners how to get their own down-liners. However, the major challenge faced by representatives of the company is lack of training for their representatives. They do not arm them with the knowledge of how to make leads and convert same to their benefit. Nevertheless, you can employ the art of attraction marketing to up your leads and convert them faster.

Attraction marketing is the most powerful marketing tool that guarantees lead generation and conversion. It is your best bet to making it work for you if you intend joining Jeunesse Global. You will definitely exhaust yourself if you intend checking out on friends and family members in a bid to persuade them into buying products or joining the program as your down-liners. However, attraction marketing will remove the stress from your work and bring interested persons to you if you intend succeeding with Jeunesse Global.
