:Read the following text and answer the questions below

Omar talks about famous explorer. They explored the Earth and the oceans. One of the famous explorers is Ibn Battuta.
He was from north of Africa. He traveled east to visit the holy cities of Makkah, Madinah and Asia. Europe in the north and Africa in the south, but he didn't reach North America.
He did the most exciting things, said Omar. He was wise because he visited so many interesting places.
He used a compass in his travel. **It** shows the directions north, south, east and west.
