

VEHICLES OF WAR
DISMANTLEMENT TREATY

to

The United Nations

BY: PATRICK R. McELHINEY

12/25/2022

THIS TREATY TO THE UNITED NATIONS ALLOWS THE USE OF LASER DISMANTLEMENT WEAPONS SYSTEMS AND RADIO FREQUENCY DISMANTLEMENT WEAPONS SYSTEMS, INCLUDING IN SPACE, TO DISMANTLE VEHICLES OF WAR, INCLUDING TANKS, TRANSPORT VEHICLES, MISSILE BATTERY VEHICLES, AND OTHER TYPES OF VEHICLES OF WAR THAT CROSS OVER A DEMILITARIZED ZONE OR A SOVEREIGN STATE BORDER.

THIS PROCESS INVOLVES THE USAGE OF SPACE WEAPONS TO RENDER VEHICLES OF WAR BROKEN, BY TARGETING THEIR ELECTRONICS, THEIR TRANSMISSION LINES, THEIR OIL LINES, THEIR FUEL LINES, AND ANY OTHER COMPONENT TO BREAK THEM, SHOULD THEY EVER POSE ANY DANGER TO ANY SOVEREIGN NATION THAT THEY ARE AT WAR WITH.

WITHOUT THESE DANGEROUS VEHICLES OF WAR HAVING ANY CAPABILITY TO CONDUCT WAR, THESE WEAPONS SYSTEMS WILL BE USELESS IN ANY WAR OR ON THE BATTLEFIELD, ENSURING THAT WAR WILL BE FRUITLESS, AND THAT WORLD PEACE WILL BE UPHELD.

STEP 1: ELECTRONICS BROKEN

STEP 2: OIL LINES BROKEN

STEP 3: TRANSMISSION LINES BROKEN

STEP 4: FUEL LINES BROKEN

STEP 5: OTHER COMPONENTS BROKEN
