Good morning " ".

Please confirm the average bracket size or number of teams attending the tournament so I can have efficient number of officials to help with groom and uniform compliance checks.

I will be the Head Official for the CDM hosted Wrestling tournament on Sat Dec 2. In preparation for the matches, I have a few questions:

- I have a start time of 9:30am; please confirm.
- Please confirm the average bracket size or number of teams attending the tournament so I can have efficient number of officials to help with groom and uniform compliance checks.
- Please confirm the # of mats that will be used for the tourney.
- Also, a trainer or other health professional trained in HNC protocol needs to be on site throughout the tournament.
- I'll plan to meet with all coaches at 9:15am.

I look forward to seeing you next week, and thanks for the detail above so that I can pull along to my OCWOA officiating crew. Many thanks.
