

1. Haiku

The clock tick toks again
My eyes drop and sag for sleep
My watch hasnt end

2. Fixed form

I stand watch, as the dread takes hold
Will I ever make it, to become old?
Tik tok, - tik tok
The night is long, and dark
In the Desert, life is stark
Tik tok, - tik tok
The hours pass, I am alone
wondering about the unknown
Tik tok, tik tok
Loud sounds break my immersion
Its too late for desertion
Tik tok tik tok
Im ready for action
Trained to adaption
Tik tok tik tok
Oh, Its just Phil...
He almost got killed.
Tik tok, tik tok
My watch hasnt end
My life i have condemned
Tik tok, - tik tok

3. Limerick

Longs nights are eerie
For men become weary
“Hault, who goes there”, I said
Oh its just phil,
Who close lost his head.
