A door on the back of the RV folds down hitting Goofy on the head. Out of the back of the RV steps Pete.

Goofy: Pete?

Pete: Goofy? What a serendipity do dah! Who'd've thunk it, huh?

Max: Is PJ here?

Pete: Oh, yeah. I'm sure he's loafing around here somewhere.

Cut to the inside of the RV. PJ is buffing the floor and dusting while listening to Powerline on the stereo. He is singing along.

Song: It ain't a question of how, it's just a matter of when, You get the message that I'm trying to send, I'm under a spell, I'm in over my head, And you know I'm going all the way to the end,

Max: What a goob!

Song: To stand out, above the crowd...

PJ begins treating the buffer like a microphone, still singing along. Max turns off the stereo. PJ, oblivious, keeps singing.

PJ: (singing) Even if you got to shout out loud! No matter what you look it's Max I get... (spoken) Max!

Max: Hey, hey, hey!

PJ: Woah! Small wilderness, dude! Didn't expect to run into you.

Max: Apparently not!

PJ: You're just jealous man, 'cause you ain't got the moves!

Max: Yeah, you can keep the moves. But I wouldn't mind having this RV. You're so lucky, man!

PJ: Me? Aw, come on! You're the (1)_____!

Max: Wha..what are you...

PJ: Going to the Powerline concert! Aw, it's unbelievable, man!

Max: Who told you about that?

PJ: Hey, come on! Everybody in town knows about it, Max. You are going to be famous, buddy! Especially with Roxanne.

Max: There's, uh, only one person who doesn't know about it yet, Peej.

PJ: Who?

Max: My (2)_____.

Cut to the roof of the RV where Pete and Goofy are. Pete begins to go bowling.

Pete: So tell me, Goof, is that kid of yours still giving you guff?

Goofy: Oh, I don't know what's (3)_____. Just seems like everything I try only drives Max further away. Maybe I ought to just back off, I don't know...

Pete: Wrong, Goof! Look, if you keep them under thumb, they'll never end up in the gutter!

Pete bowls and gets nine pins leaving one standing.

Goofy: Too bad, Pete. (4)_____.

Pete: Almost? Heh! Watch this! PJ!!

PJ comes running up to the roof.

PJ: Yes, Sir! Coming, Sir! Yes, Sir!

Pete points at the pin. PJ goes over and kicks it down.

Pete: Woohoo! Strike-ola! Yeeha! Thank you! Thank you! Yes! And the crowd goes wild! High five, son! Psych! Say, Goof, why don't you two stay for (5)_____?

Max: Cool!

Goofy: Oh, no thanks, Pete. Max and I have some fish to catch!

Max: Aw, Dad, we can do that (6)_____. So, uh, what are we having?

Goofy: But Max, I thought...

Pete: [clears throat] Under your thumb, Goof!

Goofy: Maximillian!

Max: What?

Goofy: Get your gear, little man. We're going (7)_____!
And I mean now!

Max goes off, disgusted. Goofy winks at Pete who winks back. In their fishing gear, they enter the river with their rods.

Max: Dad, I don't even know how to fish.

Goofy: Oh, now come on. That never stopped me! Let me show you a little family secret, handed down for about twelve or thirteen Goof generations: The Perfect Cast!

Max: The Perfect What?

Goofy: The Perfect Cast! My dad taught it to me when I was about your age. Okay now, watch carefully. You got to be loose. Relaxed. With your feet apart, and... Ten o'clock. Two o'clock. Quarter to three! Tour Jete! Twist! Over! Pas de deux! I'm a little teapot! And the windup... Goofy's line goes all the way back to where Pete is Barbecuing steaks. The hook grabs a steak.

And let her fly!!! The Perfect Cast! The hook with the steak go sailing and land on the bank of the river a fair ways away in the middle of a large footprint. Two feet that match the footprint then come up. It's bigfoot. He is chewing on a log. He stops and sniffs, then sees the steak. **And now, we reel her in.** Bigfoot is about to take the steak when Goofy starts to reel it in. Bigfoot chases the steak and finally catches it. He bites it and is pulled by Goofy. **Whoa! Quick! Get the (8)_____!** They manage to get back to the bank and Max hands the camera to Goofy. **Must be over three pounds! I don't want to miss this!** Through the viewfinder of the camera, you see bigfoot. (in an awed whisper) **Look, Max!**

Max: **Uh, duh, duh, dad ... It's Bigfoot!**

Goofy: **Could you back up a bit Mister Foot? You're out of focus.**

Bigfoot roar and Goofy and Max start running. The steak sails back at Pete and hits him in the face.

Pete: **What's the idea of...** He sees Max and Goofy running from Bigfoot. **Bigfoot!**

Pete grabs the BBQ, throws it in the RV, retracts all the equipment attached to the RV and drives off, leaving Goofy's tent where it was. Goofy is running backwards getting Bigfoot on video.

Goofy: **Behold the legendary Bigfoot! Fabled but seldom...**

Goofy trips over the tent and the camera goes flying. Max tries to get in the car.

Max: **It's locked!**

Goofy: **Quick! The sun roof!**

Max and Goofy dive through the sun roof and Goofy starts rolling the window closed.

Max: **Hurry up!** Bigfoot is coming fast. Goofy is still rolling the window closed. **Hurry up!!** The window closes just as Bigfoot gets there. He rocks the car back and forth for a moment, then notices all the equipment Goofy had unpacked. He goes to investigate. **I can't believe it! Bigfoot!**

Goofy: **And I've got the only video!**

Max: **We're going to be (9)_____!** Bigfoot has discovered the camera and is pulling the tape out in shreds. (disgusted) **Let's just get out of here.** Goofy feels for the keys but Bigfoot has found them outside and tosses them away. He then continues rummaging through their equipment. Fade to late evening. Goofy and Max are still in the car. **Is he (10)_____yet?**
