These are the instructions to upload your own logo:

STEP 1: Canva is a program you can use to upload your logo, so create your account! (Yes it is free!) (Go to Canva.com)

STEP 2: Access the social media post in Canva by clicking on the link provided.

STEP 3: On the social media post, select and delete "YOUR LOGO HERE" by hitting the backspace button.

STEP 4: On the left hand side of the window, click 'upload' and upload your own logo as a .png file.

STEP 5: Drag your logo to the logo placement area on the post.

STEP 6: Download the post as a **.png file** by clicking on 'Download' at the top right corner of the window and hit download.

We hope you find this social media post helpful!
