

Citation Hunt - 24 Points

APA Website Citation Maker

Overview: Find citations that support the details about your search. Write down the URL and page numbers in the appropriate box.

Directions:

1. Make a copy of this assignment and place it in your computer basics folder.
2. Choose 5 different subjects that interest you. Keep the subject brief, like; dogs, football, cookies. **(5 points)**
3. Do a Google search and choose a web page with the information on your subject. **(2 points)**
4. Copy and paste the URL into your Citation Hunt form below. **(2 points)**
5. Create a citation for the web page and add it to the form below. **(5 points)**

Then...

5. Pick *three* new subjects and add them to the second form. **(2 points)**
6. Find an image for the subject (must be from a different web page). **(2 points)**
7. Create an in-text citation centered under the image **(6 points)**
