## Post One:

### Description:

Welcome to Neon Beach.  
A place for families, bachelors and bachelorettes. One size fits all.  
Enjoy a stay at the Blue Moon Lounge.  
Swim into the crystal waters of the ocean.  
Visit Liminal Park, buy one of our houses at Tranquil Heights.  
Come, and stay forever.

## Post Three:

<https://www.instagram.com/p/CPY33XdC-SQ/>

### Description:

The Blue Moon Lounge.

Please help me i' m not safe here

### Info:

The text “**please help me i'm not safe here**” implies that there is something dangerous at “**The Blue Moon Lounge**”. Also the text lacks proper grammar, with lowercase “i'm” as if it were typed hurriedly. Fujikawa Corp. also seems to be promoting “**The Blue Moon Lounge**”, suggesting that they may have an ulterior motive, as it is said to be unsafe.

## Post Four:

Right at your doorstep, Fujikawa Corp. for a brighter, better future.

The first letters of each sentence spell out the word **'fear'**. When this is entered as the password to Empire.glb, you get a 3D model of Post 7. If we use the clue in Post 8 (to Look Behind the Empire), we get a passcode to enter in a database. We still don't know where to enter this code. We are told to **"not disclose this code to any given third party. Any violation will be fined with REMOTION."** so we suggest finding the code yourself.

**(Thanks to chizboss for discovering the password to Empire.glb)**
