Bay Road Pickleball Community Membership Information

Our Bay Road Pickleball Community is run by a group of volunteers who organize play at the Bay Road Tennis Club and Multisport Center. Our group is independent of the management of the facility, although they generously offer some benefits to our group.

To play at the Bay Road facility, you must be a member of the facility or pay a $13 guest fee each time you play. Members and guests also pay for the court time (usually $36/hour per tennis court). For facility information, click here: Bay Road facility membership.

For our pickleball community, we use two software programs for communication. TeamReach is an app designed for sports teams and groups. We all will be able to see Bay Road Pickleball Community news and announcements in one place. It also allows people to "Direct Message" one another, so we can communicate with the entire group, or one-on-one.

To access our news and announcements on TeamReach, download the app and create a free account. Once you have an account, enter our "Group Code" in the white box and hit "Join" ("Join" is in the upper right of the keyboard that pops up for typing) or the "plus sign" on the line below the Group Code box). Our Group Code is: BayRoadPickleball.

You can adjust your personal settings in TeamReach so that you get notifications, with options for audible or silent, or you can check your TeamReach account on your own time frame. You can also set your notifications to go to your email. See this short video for more information on setting your notifications: https://www.youtube.com/watch?v=DY-45rVVNiE

Our second TeamReach group is focused on play: If you would like to find a group to play with, or share a court, or sub (or find a sub) for Bay Road contracts/play, you can also join this group, Group Code: BayRoadSubs. Note that subs still need to be a member of the facility or pay the $13 guest fee at the desk each time they play.

We use SignUpGenius (free accounts) to schedule and sign up for weekly play and special events. **To sign up for our community times on SUG, you will need to be signed in to your SUG account**. **You will also need to be a member of our Bay Road Pickleball Community** (BRPC).
