Credential Candidate Reflexive Journal

Example Student Teacher Journal Prompts

[Student Success Criteria \(TPEs\) Linked Here](#)

- 1. How have you implemented classroom management strategies during your field placement?**
 - a. What challenges have you faced and how have you overcome them?*
 - b. Have you noticed any patterns in student behavior that you can address proactively in the future?*
 - c. How have your students responded to the strategies you have implemented?*
- 2. Describe a lesson you have planned and taught during your field placement.**
 - a. What goals did you set for your students and how did you assess their progress?*
 - b. What went well and what could you improve upon in the future?*
 - c. How did you adapt your teaching to meet the needs of diverse learners in your class?*
- 3. Reflect on a time when you used assessment data to inform your instruction.**
 - a. What type of assessment did you use and what did you learn about your students' strengths and areas for growth?*
 - b. How did you adjust your teaching as a result?*
 - c. How did your students respond to the changes you made in your instruction?*
- 4. How have you differentiated your instruction for diverse learners during your field placement?**
 - a. What strategies have you used and which ones have been most effective?*
 - b. How have you gathered data on the effectiveness of your strategies?*
 - c. Have you noticed any challenges in differentiating your instruction and, if so, how have you addressed them?*
- 5. How have you built relationships with families and communities during your field placement?**
 - a. What strategies have you used to involve them in their students' learning?*
 - b. How have you communicated with families and what impact do you think these relationships have had on your students' learning?*
- 6. Reflect on a time when you faced an ethical dilemma during your field placement.**
 - a. What was the situation and how did you handle it?*
 - b. What were the potential consequences of your actions and how did you weigh them?*
 - c. How did you reflect on the experience and what did you learn from it?*
- 7. How have you incorporated technology into your lessons during your field placement?**
 - a. What specific tools and resources have you used and how have you integrated them into your lessons?*
 - b. What impact has technology had on student learning and engagement?*
 - c. How have you supported students who may not have access to technology at home?*
