Surat, Gujarat, India

Skills

Frontend - Next Js, React Js, React Native, TypeScript, Redux, Tailwind Css, Javascript, html, css,

Backend - Node Js,

Database - Postgresql, MongoDB,

Tools - Supabase, Firebase, Vercel, Aws Ec2, Aws Rds, Prisma

Work Experience

Senior Frontend Developer - (Next js, React Native, Tailwind css, Redux, Firebase (FCM))

[Oneboard](#) - (Dec 2022 - Mar 2024) - 1 year 4 months

- **Led Intern Training and Project Development:** Mentored two interns in Next.js, React.js, and Tailwind CSS, guiding them through the complete development lifecycle of an onboarding website from scratch.
- **Improved Website Performance:** Implemented lazy loading techniques and other optimizations, increasing the website performance score from 30 to 95 for desktop and 85 for mobile, resulting in a faster and more efficient user experience.
- **Optimized Image Handling:** Suggested and implemented image optimization methods by converting images to WebP format and applying compression techniques, reducing image sizes from 2-3 MB to 50-300 KB, further enhancing website performance.

Frontend Developer - (React Native, React Js, Next js, Tailwind css, Redux, Firebase (FCM))

[WiztechLabs](#) - (Sep 2021 - Dec 2022) - 1 year 3 months

- **Developed and Published Mobile Apps:** Built high-quality mobile applications using React Native for iOS and Android, and managed their successful publication on the Apple App Store and Google Play Store.
 - **Created Responsive Websites:** Designed and developed responsive websites, utilizing modern web technologies to meet diverse client needs and deliver exceptional user interfaces.
 - **Maintained Client Satisfaction:** Achieved a high level of client satisfaction by effectively communicating with clients, understanding their requirements, and providing solutions that exceeded their expectations. This contributed to repeat business and positive client referrals.
-

Projects

[Knowyoursnack](#) - (Next js, Tailwind css, Supabase, Typescript, Gemini Ai) - (June 2024 - Present)

KnowYourSnack is your personal guide to understanding snack ingredients. Simply snap a photo of the ingredients list on any snack package, and our AI-powered app will identify harmful substances, provide detailed information, and help you make healthier choices.

[Appointify](#) - (Next js, Tailwind css, Aws, Typescript, Postgresql) - (March 2024 - Present)

Appointify is the ultimate solution for businesses to seamlessly manage appointments and tickets online. Say goodbye to scheduling headaches and hello to a more organized and efficient way of running your business.

Education

Master of Computer Applications - MCA - (June 2018 - May - 2020)

Sant Gadge Baba Amravati University, Amravati
