  - Grade each challenge from the answers at the end of the test.
  - After every challenge, do the the worksheet before doing the next challenge:
    - ☰ How to have the biggest increase: Doing the Worksheet Properly - non-app
- Convert the score with this: <https://bit.ly/3jL1ZrA>

### Day 5:

- Take the Reading test 21mc8 on page 912 in 35 minutes. (Don't do this one in challenges.)
  - Grade each challenge from the answers at the end of the test.

- After every challenge, do the the worksheet before doing the next challenge:
  - [How to have the biggest increase: Doing the Worksheet Properly - non-app](#)
- Convert the score with this link: <https://bit.ly/3G8JBCE>

Extra work to do between now and our last class:

1. Pick ONE subject to do per week.
  - a. If you choose math, continue what we did during the math week ( [CCS Homework Week 1](#) ), but choose different tests using this link:  
[https://drive.google.com/drive/folders/1sozCPVcEHkEZmiAEHJn6sll56Tr5s40X?usp=share\\_link](https://drive.google.com/drive/folders/1sozCPVcEHkEZmiAEHJn6sll56Tr5s40X?usp=share_link) . You can pick any test. The answers and conversion charts are in the folders.
  - b. If you choose english, continue what we did during English week ( [CCS Homework Week 2](#) ), but choose different tests using this link:  
[https://drive.google.com/drive/folders/1sozCPVcEHkEZmiAEHJn6sll56Tr5s40X?usp=share\\_link](https://drive.google.com/drive/folders/1sozCPVcEHkEZmiAEHJn6sll56Tr5s40X?usp=share_link) . You can pick any test. The answers and conversion charts are in the folders.
  - c. If you choose reading, continue doing what we did during reading week ( [CCS Homework Week 3](#) ), but choose different tests using this link:  
[https://drive.google.com/drive/folders/1sozCPVcEHkEZmiAEHJn6sll56Tr5s40X?usp=share\\_link](https://drive.google.com/drive/folders/1sozCPVcEHkEZmiAEHJn6sll56Tr5s40X?usp=share_link) . You can pick any test. The answers and conversion charts are in the folders.

Class Schedule:

Saturday, April 1 at 9-10:30 am: Science
