

Greetings **Toreadors**,

We are excited to announce that starting Fall of 2025, we will be a full partner with BOUND, a full-scale athletic, activities, and facilities management system. This partnership will create a seamless and engaging experience for all **Toreador** stakeholders - consolidating our schedules, communication, registration, ticketing, scores, and standings in one convenient location! Bound will be replacing rSchool, our current activities management system.

BOUND Public Website

To get you started, click on the following link (be sure to bookmark this page). This landing page is for **Toreador** families, fans, and students. You and your family will be able to get everything you need from this one site!

Athletic Registration OPENS JULY 1

To get your athlete(s) registered for the activity programs, click on the 'Registration' link at the top of the **Boone** Bound public site. You can also click on the QR code on the attached Activity Registration flier.

From here, you will be able to connect your family (parent and student accounts), enter or update all important demographic information, upload your current physical, sign off on all of the required documents for participation, and register for the sports your athlete(s) intend to participate in this school year.

Here is a step-by-step document to get you started on the Athletic Registration process:

Part of the registration process is to search for your student under **Boone**. Because this platform is new to us, if you do not find your student in the search field, go ahead and choose **ADD STUDENT MANUALLY** at the bottom of that pop-up window. Then add your student and proceed with Registration.

Notifications & Calendar Subscriptions

As parents or guardians of active middle/high school students, you need to keep up with any changes or adjustments to schedules in real time. By utilizing the "Notifications" feature in Bound, you will be able to sign up to receive notifications of changes, postponements, or cancellations in scheduled events. At the top of the **Boone** Bound public site, notice the green "Notifications" button below our mascot. This button is located in the same location on each page as you navigate from activity to activity.

If you want school-wide notifications, click on this button on the Home screen and sign up - name, email, phone number, and what notifications you would like to receive. From there, navigate to the activities your student(s) are participating in or ones you want to follow and do the same. For example, if you want girl's tennis notifications, you will click on Activities and tennis. Once you land on the tennis home page, click on the 'Notifications' button and sign up for notifications specific to tennis. Repeat this process for any activities you need to stay up-to-date and in the know!

You can also use our calendar feature to subscribe to the calendars that specifically interest you and your family. You can select the calendar tab at the top of **Boone** Bound public site and then select the subscribe button which will lead you through the steps to subscribe to your schedule.

Schedules, rosters, stats...and more

We would invite you to take a test drive around the site while you are there. Click on the links at the top of the page you'll see all of the athletic, fine arts, and school activities we offer here at **Boone**. This site will be your one-stop shop for your family's athletic and activities information and resource needs.

Tickets and Passes Information WILL BE AVAILABLE FOR PURCHASE AUGUST 1

We will be utilizing digital ticketing options for the upcoming 25-26 school year. **Boone** is excited to offer this option and make the gate admission process easier and more convenient for our families and students. We will be offering several admission pass options to help you and your family save money all year long at our home events. You can pre-purchase your passes or individual tickets online ahead of time OR make use of our credit/debit card readers at the gate. No more scrambling to remember to stop by the gas station on the way to the game to get cash...use your card or Apple Pay at the gate. Click on "Ticketing" at the top of the **Boone** Bound public site to begin your ticketing experience today.

We are excited about our partnership with BOUND, and we look forward to working with you and your student(s) to make the coming school years the best ones yet!

Please reach out to our Activities Office if you have any questions.
