Weekly Update For 09/14/2025

Dear JMS Families,

- Happy Sunday. The first marking period is passing rapidly and we will have beautiful fall weather before we know it. Please remind your student or students to complete their work regularly, turn in their assignments daily, and advocate for their needs. We are here to help.
- Last week's NWEA testing sessions went very smoothly. Many thanks to students, staff, and parents for a coordinated effort to pull this off successfully. This data will be used to gauge student academic progress over the course of the year. In celebration, JMS counselors and administration will be passing out popsicles to students and staff on Tuesday during WIN class. It's a small token of our appreciation for everyone's hard work and commitment to excellence.
- Picture day forms will be mailed this week in anticipation of October 3rd, 'Picture Day' for Jonesville Middle School. Please reach out if you have any questions.
- Comet Skills, our after school tutoring program is this Tuesday and Thursday from 2:45 to 3:45 PM. This is a great opportunity for students who either need some one-on-one assistance or just a quiet space to complete assignments.
- Our lost and found bin is located on the first floor right across from the office and it's already getting full. If your student is missing an important item, please make arrangements with Mrs. Woodruff to stop by and examine its contents.
- Our weekly grade reports are being generated now. Please reach out to the office if you do not have access to Skyward. This is the easiest way to monitor your student's progress.
- The Michigan Department of Education (MDE) opened the nomination period for the 2026-27 Michigan Teacher of the Year this past spring. The window remains open until Wednesday, September 24, 2025 at 11:59 p.m. MDE welcomes nominations from students, parents/guardians, coworkers, and school community members. Individuals wishing to nominate a teacher for this recognition are asked to complete this [online form](#).
