Before and After School Childcare 2025-2026 General Information Traditional Calendar

Franklin County Schools, Before and After School Child Care, offers affordable, safe, and convenient care for students in grades K-5 in select Elementary Schools. This service is not available for students in Pre-K.

Fees and Registration

Franklin County Schools Before and After School Child Care Program is a non-profit, self-supporting service. The School Principal, Treasurer, or Coordinator can provide detailed information about the program at your child's school.

Students may register for Before Care, After Care, or both. Enrollment priority will be given to kindergarten students, and existing enrolled students, and then first come first serve. Minimum and maximum enrollment numbers will be managed by the site. Depending on enrollment, Before Care may not be available at all sites. Full-time enrollment is required, part-time enrollment is not allowed. Registration prior to the beginning of the school year is strongly encouraged. However, registration is accepted throughout the school year based on space availability. Once enrolled, the Site Coordinator and School Treasurer should be contacted in writing if your child will no longer attend the program. At this time the parent will be provided an invoice of any outstanding balances. Those balances will need to be paid immediately. Any unpaid fees may become part of the student's permanent record.

Monthly fees are due by the 15th of the month. If fees are not paid by the 15th of the month a late fee of \$25 will be assessed. If fees go unpaid for the entire month, the student cannot return to the program until all fees are paid in full.

The Before and After Care Program at each site will remain in operation based on the sustainability which will be determined by Franklin County Schools. Typically, the Program will operate only on student days. The Program may be open on required teacher workdays depending on projected attendance by location. The daily fee for teacher workdays is \$16 and the parent/guardian would be responsible for all meals, snacks, and beverages for their child.

Delayed Openings/Early Dismissals/School Cancellations

Make sure you sign up for text messages and emails when we have inclement weather delays. You can also check the district website or your school website for updates, as well as our Franklin County Schools Facebook page. To participate in the text messaging service, you must indicate your willingness to receive text messages on your phone, even if you received text messages this year. You must do this whether you have a child in the school system or belong to a community organization that wants to keep up-to-date with our alerts.

Please remember to complete the annual student update to ensure the school system has accurate information on file. Please check with the school's data manager for more information.

Franklin County School cancellations, early dismissals, and delayed openings will be announced on the following media:

- Television: WRAL Channel 5
- District Social Media Platforms
- District Mass Com Messaging

~~When school is scheduled as a late arrival for students on election day the Before School Child Care Program will be open from 6:00 a.m. until school begins. You are not charged for the additional hours

Discipline and Behavior Management Policy

Praise and positive reinforcement are effective methods of behavior management for children. When children receive positive, non-violent, and understanding interactions from adults and others, they develop good self-concepts, problem-solving abilities, and self-discipline. Based on this belief of how children learn and develop values, this facility will practice the following discipline and behavior management policy:

If a child has three Discipline Reports he/she will be suspended from the Before & After Child Care Program for three days; after two or more discipline reports the child will be Suspended from our program for five days. If discipline continues to be a problem, your child could be removed from the program permanently. If a child threatens another child, or says they are going to harm themselves or someone else, the child will be suspended immediately and the Principal will be notified.

Handling Emergency Care/Meds in Before/After Care

Due to the times that before/after care is offered to families, nurses or trained first responders are not available to provide care. **Medication administration or other healthcare procedures cannot be provided in the before/after care program.** Franklin County Schools will make every effort to ensure that the before and after care staff are trained in CPR.

The use of automatic external defibrillators and the administration of school-supplied epinephrine in the event of anaphylaxis. This is the extent of emergency care that can be provided and staff will be instructed to notify parents and call 911 for all emergencies.
