## **High School Description**

<b>Description of School/Nature of School</b>	<p>The J. Graham Brown School, Louisville’s original magnet school, is a district-wide magnet school for students who thrive in a Self-Directed Learning environment. Brown enrolls approximately 750 students in grades K through 12.</p> <p>J. Graham Brown students engage in an aligned college preparatory liberal arts curriculum based on our four tenets of Self-Directed Learning: Independence, Empathy, Innovation, and Advocacy. Our academic program cultivates critical, open-minded, and creative thinkers who are willing to take risks and are eager for new knowledge. Our learning environment develops compassionate, tolerant, and respectful human beings who value cultural diversity and contribute to the community. Grade level academic performance and age appropriate social skills are expected for success in this informal educational setting.</p> <p><a href="#">Link to Self-Directed Learning Framework</a></p>
