

Witch way does love come from~   (Alias Anono x Yumi the witch)

(New name, kinda new story, same old bottom alias anono)

It was a cool autumn's day the wind was blowing, leaves were falling from the trees, Alias Anono was sitting in her dorm doing some homework (that she totally didn't forget about...)

She sighed loudly "ugghhh I hate homework... I wanna see booquets... not learn about... whatever this is..." she slid the paper over away from her... spinning in her chair facing her bookshelf...

"Jeez.... Sometimes I forget how many friendfics I own.... Not to mention the ones that have been written...." she looked at one section with a B above it "especially you..."

Just then there was a knock on her door followed by a loud voice "alias!!! Let me in! It's an emergency!" Alias sat there before realizing who it was.. before getting up quickly and heading to the door..

As she was making her way towards the door she tripped and fell "D-damn it.... Coming!" She got up and opened the door.. it was yumi "ah alias! Thank you so much! I've misplaced one of my spell books!"

Alias looked back at her bookshelves "Yumi.... I don't think I'd have one of your spell books..." Yumi sighed "Alias come on! Look at all those books! Can't I just check?"

Alias sighed "F-fine... but make it quick!" Alias was then hugged quickly by yumi "thank you alias you're a life saver!" Yumi then let her go and began looking at the spines of the books..

"No.. no.. not that one..." she sighed... "hmm.... If I could remember the names of these... it would make it a lot easier to find the one I lost..." alias turned slowly

"Wait wait wait... YOU DONT KNOW WHAT YOUR LOOKING FOR?!?!?" Yumi gasped "hey! I know it's a book! Also it's very important!" Yumi bumped into one of alias book shelves..

As she did a 'friendfic' fell into her hands opened on a random page... alias turned pale.. "Yumi.... Close the book... please... please please... it's nothing importa-" Yumi stared at her

"Alias you're so naughty~" she smirked putting the book back in its place walking towards alias slowly... alias started sweating "I-Is it hot in here o-or is that just me?"

Just then yumi KABEDONED~ alias against a wall as alias's face turned red as she gasped loudly "y-yumi I-I'm sorry!" Yumi slowly slid her finger over her lips

“Shhhh~ no more talking naughty girl~” Yumi slowly her finger off of alias’s lips “the stuff in that book... hm~? That’s pretty wild...” she smiled “would be a shame if that information got out...”

Alias gulped “p-please no.... My reputation would be over! The respect (I have left) would be gone! Y-yumi please! I-I’ll do anything!” Yumi scratched her chin “Anything you say?~”

She smiled slowly “close your eyes alias...~” alias looked at her confused “Wh-“ yumi cut her off “do.it.” Alias then closed her eyes quickly “good girl~”

Yumi slowly lifted her off the ground and kissed her briefly... before pulling her back and putting her down.. before she giggled looking at her red face

“Alias, Alias, Alias... I had that spell book the whole time~ I just wanted an excuse to come over and see you... not to mention see how flustered you’d get~”

Yumi smiled “you’re cute when your face is red.... See you soon Alias ‘bottom’ Anono~” Yumi headed to the door before blowing her a kiss and winking

Alias stood there her face beet red... “I-i I-I’m not a bottom.....” she sat on the floor feeling her cheeks still trying to process everything that just happened....

The end~
