

## Nicaragua 2025 Trip Brouchure

### Nicaragua Service Trip 2025

Feb 15th - 23rd

Come join our pastor-led trip which strives to shine God's love and light in the beautiful country of Nicaragua. In previous trips, we have witnessed the physical beauty of Nicaragua as well as the beauty of its people. You will have an opportunity to serve alongside other congregants as well as new friends you will meet along the way. No worries if you do not speak Spanish, a friendly smile and great attitude is all you need.

**First Meeting:** Wed Nov 20th @6PM @Church (for travelers and potential travelers) In this meeting you learn:

- What will the week will look like
- What are the logistics of travel
- What are the costs
- How much fun will I have while serving !!!!!

We hope to see you at the first meeting. If you have any questions, please reach out to: David Spertner aka Jefe @ 617-549-1200 or dspertner@gmail.com

**See below a brief history and some of the past experiences during our service work:**

#### **History of service:**

The Union Church has been serving the people of Nicaragua for almost 25 years. It started by delivering uniforms to school children and later school supplies. It then grew into clean water projects, school renovations and supporting local children so they could attend university. We now have Alpha y Omega as a partner Church. Most importantly, we have shined God's love and light by serving alongside and with the community. We have created bonds with our sisters and brothers in Nicaragua and have strengthened the bonds between us.

Some celebration after a school painting project at Maria Auxiladora

Witnessing the beauty of Nicaragua. (sunsets are must when you visit)

Serving with locals

Serving with locals

Some bonding and meeting new friends

Some new foods

Some visits providing reading to children via the [Mobil Library](#)

Visit with current and former Church scholarship recipients via [The Brugger Foundation](#)

Intergenerational bonding

**Fun !**

**Fun!**
