

Welcome to 4th Grade!

Dear Parents and Guardians,

Welcome to an exciting new school year in 4th grade! I am so thrilled to have your child in my class, and I look forward to a wonderful year of learning, growth, and fun together.

In 4th grade, students will be exploring new ideas, building on their skills, and discovering just how fun learning can be. We will be working hard, but we'll also be celebrating accomplishments and enjoying the journey along the way.

A few important notes to help us get started:

- **Snacks:** Please send your child a healthy snack each day. Nutritious snacks help students stay energized and ready to learn. Students will not be allowed to eat candy or sugary snacks in class.
- **PE Shoes:** Students need to have proper shoes for P.E. days so they can participate safely and comfortably. These will stay in their lockers throughout the year.
- **Special Field Trip:** We are especially excited about our overnight field trip to Helena in early October! More details will be coming soon, but please mark your calendars.
- **Hooked on Fishing:** Our class will be participating in **Hooked on Fishing** with monthly events throughout the year. This is a hands-on way for students to learn outdoor skills, responsibility, and teamwork. More details will be shared before each event.

I am looking forward to partnering with you this year to support your child's learning and growth. Together, we can make 4th grade a positive and memorable experience!

Thank you for your support,

Ms. Juliana Himmel
