3. Goal

- a. Establish guidelines for 522 accounts that have pre-assumed conference opportunities.

4. New Business

Guidelines for CSEL staff, no hour cuts:

- i. There should be no hour cuts for those who went to conferences.
 1. Talk to professional staff regarding not cutting student staff hours when attending a conference that can be used to implement what they learned on campus.
 2. Professional staff meeting, March 6th 2018, 10-11.30
 3. Discuss with Executive Officer for Budget and Finance for next budget period.
- b. Guidelines for students:
 - i. Establish guidelines when clubs/students ask for conference fund from student government.
 1. Concrete plan to bring lessons learned from conference back to campus.

- a. Should answer questions on how it can benefit the greater student population.
 - b. Preferably participants should still have time in EdCC.
- 2. Represent Edmonds CC in the conference.
- 3. Negotiate if staff/advisors can get other funding not from Student Government.
