

## Branding Requirements for Your Platform

Thank you for choosing to launch your own fleet management portal and mobile app. To ensure a smooth branding process, please provide the following details:

### Administrator Registration

- Administrator's email address.
- Company address.
- A dedicated admin email (e.g., **admin@yourdomain.com**) – Required for SSL certificate validation.

### Web Portal Requirements

- Registered domain name.
- Website URL.
- SMS gateway details for alert notifications.
- SMTP details for email notifications.

### Mobile App Requirements

- The branded mobile app will be published under your Play Store account. Please create a user with **developer privileges** and share login credentials.
- For iOS apps, please review the **Dealer Partner Pricing** section for additional requirements.
- Submit separate **launcher icons** and **splash screens** for the admin and parent apps in **vector format**.
- Provide a **logo** in PSD format along with an image of the **login screen**.
- Share your company's **privacy policy**.
- Submit the **support team's email address**.
- Share social media links (**Twitter, Facebook, LinkedIn**).
- Provide the preferred **app name**.

We're here to assist you throughout the process—feel free to reach out with any questions. Let's work together to bring your brand to life with a seamless white-label solution.

Don't hesitate to contact us ([support@avlview.com](mailto:support@avlview.com)) if you have any questions or need any assistance.
