Revised Date: May 26, 2022

DEAN APPROVED: May 26, 2022

Robert T Hasty, DO, FACOI, FACP
Dean & Chief Academic Officer

Policy Title: Transfer Policy

Pursuant to 34 CFR §688.43(a) (11), this policy contains all transfer policies related to OCOM. It is currently the policy of OCOM to not accept transfer students into the program.

- i. OCOM does not currently accept any credit earned at another institution for purposes of transfer nor does it apply credit to any courses.
- ii. OCOM does not currently have any articulation agreements with institutions for transferring from another college of osteopathic medicine accredited by the American Osteopathic Association's Commission on Osteopathic College Accreditation (COCA), or any other school of medicine accredited by the Liaison Committee on Medical Education (LCME).
- iii. Since OCOM does not currently evaluate or award credit for prior learning experiences, there are no written criteria to award such credit.

This policy shall be posted at ocom.org/policies.
