Team Communication: There is a team GroupMe chat. Please download the GroupMe app and check hopkinsboystennis.com for additional information. Please email us if you want to add your player to the booster club's player roster.

MANDATORY PAC Sports Meeting:

Every parent/player is required to attend one PAC meeting each year. The Spring one coming up is on March 24 at 7 p.m. at HHS cafeteria. All players must attend this meeting with at least 1 parent/guardian.

Captain's Practices, Try outs and Season Schedule:

Captain's practice will be held on Sundays at Lifetime Oakdale Village, 1201 Ford Rd. Varsity players from 2025 and current seniors are invited to practice Feb. 15 (6-8pm), Feb. 22 (4:30-6pm), and March 1 (6-8pm). Varsity and JV from 2025 and/or anyone who knows how to play are invited to practice on March 8 (4:30-6pm), Mar. 15 (4:30-6pm) and Mar. 22 (6-8pm). The cost per session will be \$10. Please venmo Nate Laible. Watch GroupMe for updates.

Tryouts for varsity will be the week of March 23 after school at the HHS Courts next to Tanglen Elementary School. If tryouts need to be cancelled due to rain, the captains will put a note in the GroupMe. The coaches will communicate team assignments after the last day of tryouts directly to the boys. Everyone is guaranteed a spot on one of the teams. This year there will be Varsity, Junior Varsity and Development (this is for beginners and will meet only 3-days a week). If you register for one and are moved to another, the activities office can help adjust price on the back end.

Regular practices begin April 7 at the HHS courts. Practice time is 3:45-5:30 pm. (There is actually a match scheduled now for April 7th.)

Coach Meyer will confirm/notify if at a different time. HHS gets out at 3:25 p.m. NMS and WMS 3:25 p.m. Middle school kids may be excused from their last hour to get to the HS for sports/activities. It's the players responsibility to make these arrangements and get any missed work/assignments due to leaving early.

For **match schedules**, go to the lake conference website, <https://lakeconference.org/public/genie/23/school/1/>.

Note there are separate schedules for Varsity and JV that note location.

First Varsity/JV match is Tuesday, April 7.

Please note that schedules change due to rain and other reasons, so check back at the Lake Conference website often. You can also subscribe to the schedule and get immediately notified of an update.

Sign UP Genius - A sign up genius will be circulated in early April for team snacks. Please sign up to bring snacks and drinks at least once and possibly twice. Parents/guardians please let us know ASAP of any food allergies/concerns. Please avoid tree nuts.

Players should bring healthy protein-rich snacks for after school, prior to practice and matches for themselves (examples: dried edamame, bananas, peanut butter packets, string cheese, trail mix, granola bars). Treat-like snacks to share with the team are better for after the match.

Buses are usually provided to the far-away games. This will be confirmed and communicated to players/families. Players must ride the bus unless excused by a coach.

Uniforms and Team Merchandise:

Uniforms can be ordered directly from the BSN website. It's a royal blue Nike shirt. Other merch can be ordered at the same time and is optional! Players need to wear black shorts with pockets. They should not have any writing or logos on them. We will also be selling Hopkins Tennis White hats. This will be independent from BSN order and more info to come on that. Here is the link to order the uniform shirt and other merch. [The uniform shirt is the collared Nike shirt in ROYAL BLUE!](#) It will be mailed to your home. Shirts are needed prior to April 7.
