

The Travis Mazer Scholarship Award

This scholarship is awarded to a current freshman in the Portage Northern High School Band Program. The student must be currently enrolled in the Portage Northern Band. Preference is given to students who play the trombone, with a second preference given to those who play other brass instruments; however, any current band member may apply.

The award is based on dedication, service, and musicianship. The scholarship is awarded at the discretion of the committee, which is composed of the PN Band Directors, a representative from the Mazer family, and a Portage Northern staff member. The committee may modify its membership with the agreement of all current members.

If the student awarded the scholarship does not use the full amount before graduation, any remaining funds will be transferred to the general fund of the Portage Northern Band Boosters. All applicants must submit an essay explaining what music and the Portage Northern Band Program mean to them, and how the experience has benefited—and will continue to benefit—they in the future. Applicants are also encouraged to submit any additional documents they feel may support their application.

The scholarship recipient will be announced at the annual Spring Concert.

Submission deadline: May 1st, 2025

Please submit materials to the Band Office to Mr. Mufarreh or Miss Holso.
