Our Learning This Week:

• **Literacy**

- We are continuing our spelling, DLI (Daily Language Instruction), idioms, handwriting, and RACE responses with textual cites. We are working on our ARC unit of Mysteries. We will be reading a class novel on this genre and students will be writing their own mystery stories! We will also be doing fourth grade standards review!
- Please continue to fill out your 100 Book Challenge and do iReady lessons throughout the school year!
- Students are working on their Robin Hood which can be done in class and/or at home and is due May 13th.

4th Grade Classroom Newsletter

March 30th, 2026

- **Math**

- This week, we'll continue using CUBES and 3 Read Methods for fourth grade standards review! Also, we will be doing Module 16 which will be on multiplying fractions by whole numbers. Students will continue to work on iReady lessons and MATH FACTS.

- **Social Studies/Science**

- We will finish our FOSS Energy Science Unit and begin our second part of Colorado History as well for social studies focusing on ancient peoples, explorers, and territories.
- We look forward to seeing some Science Fair projects turned in!

Homework:

- 20 minutes reading every night for 100 Book Challenge
- Nightly Math
- Reading packet due on Friday
- Missing work/incomplete classwork/iReady
- Science Fair (optional)

Second Step with Ms. Sullivan

Art with Mrs. Peterson

We wrapped up Art in the first semester. See you in 5th grade!

Library/Enrichment with Mrs. Freimuth and Mrs. Redmond

We will be working in teams this week for a hands-on engineering project called "Will it Stick?"

Music with Mrs. Glosup

- **Slides:** Young Persons Guide to the Orchestra
- **Performance Prep:** ASL inspired motions - "What a Wonderful World"
- **Recorder:** Please make sure to bring recorders to school for music class! Students are welcome to leave their recorders in lockers, and bring home for practice when needed.

- [Here](#) is a link with details for at-home digital recorder testing.
- **Dates to Remember:**
 - Thursday, May 14, 2026 - [Art & Music Festival!](#)

PE with Coach Branson

This week we will be wrapping up our basketball skills unit in PE. I have been very impressed with the progress our younger students have made, especially in their dribbling and passing skills. We've incorporated a variety of engaging games that emphasize both skill development and enjoyment while reinforcing key fundamentals.

As we finish the unit, students will focus on shooting mechanics while continuing to build on their dribbling and passing abilities.

Technology with Ms. Wong

We wrapped up Technology in the first semester. See you in 5th grade!
