

Beech Street School School Improvement Goals 2021-2022

Goal 1: “Beech Street staff, students, and families will work together to support learning every day.”

By June of 2022, The Beech Street Elementary School Community will be more intensely focused on student learning by integrating all stakeholders into the school’s improvement efforts.

1.1: School Improvement Goals will be clearly and regularly communicated about and referenced with students, families, staff, and the broader Beech Street Community. (Students, Staff, Families)

1.2: Beech Street Staff will work to develop stronger relationships with students’ families by offering and promoting a menu of ways that parents/guardians can engage with their children’s education and the school as a whole.

1.3: A representative Leadership Team will be trained and established to help further develop and steward the school’s improvement efforts.

Goal 2: “Beech Street staff will consistently learn and grow in order to raise expectations for all students.”

During the 2021 - 2022 school year, the Beech Street Elementary School Staff will strengthen the consistency and rigor of core instruction for all students.

Goal 2.1: Throughout the 2021 - 2022 school year, professional resources will be used daily to support the rigor and consistency of core instruction through ongoing instructional coaching and instructional accountability.

Goal 2.2: Throughout the 2021 - 2022 school year, teachers will work in Professional Learning Communities to support the rigor and consistency of core instruction, to identify and address student learning needs, and to further support teachers’ pedagogical skills.

Goal 2.3: Throughout the 2021 - 2022 school year, the Beech Street Elementary School Staff will strengthen the consistency and rigor of core instruction for English Language Learners by further integrating EL staff, expertise and resources within the core instruction and instructional preparation of each grade level.
