The whole accommodation has been restored with traditional materials from the region, which has made it possible to convert it into two exclusive rural apartments, preserving all the charm of an age old Cantabrian country house.

Date	Overnight	Transfer route and mileage	Time and Activity	Description
				The house is surrounded by natural environment which is ideal for a getaway and where you can enjoy nature in its purest form. So it is quite common to encounter the flight of a bird of prey, the sudden appearance of a cow or simply the proximity of a duck or goose gracefully going down the little stream that borders the house. WiFi, kitchen garden, shared lounge, washing machine several restaurants within 3 miles. One .6 miles away
